# INTRODUCTION

## STORY

In the rough streets of Los Angeles, customized rides and 187 gangland shootings are the norm. But when the street O.G. Dupree is shot nine times by his Mexican Mafia nemesis Cortez, Dupree's prime real estate is up for grabs – Cortez and his crew of thugs are poised to take over Dupree's hood. Dupree calls on Buck, the only guy who can shift gears in street rides, the only guy who can blaze guns combat style. Buck is given the task to defend Dupree's hood against Cortez and his crew, at all costs. If he fails, not just Dupree's hood, but Buck's own life, will be lost...

## CHARACTERS

### BUCK

Under youthful, innocent eyes, a hint of danger lurks. Buck is a bright kid – book smart, but also street smart. He's a loyal guy, a tough guy who loves money, guns, women, and customized fast cars. The O.G. Dupree took Buck off the street and gave him a home when he had no place to go. Buck's street father has given him tough tasks – race through the streets of L.A., deliver packages, settle old scores, and avoid street hits on his life. But Buck has learned something even more important: never lose and never get killed.

### DUPREE

Dupree is the textbook definition of an O.G. Big, menacing, and smart, he has dark, piercing eyes that would frighten a leopard. He has seen both good and bad on the street. Dupree is a man who appreciates the finer things in life, like Asian art, exquisite furniture, and beautiful women. He walks with a limp, a reminder of many street wars and multiple gunshot wounds. Dupree is driven when he sets his mind on something. He's loyal to his street soldiers – but if you cross him, prepare to die.

### CORTEZ

Cortez is Mexican Mafia from the barrio, tough as nails. He's relentless when he wants something and won't rest until he reaches his goal. Cortez loves cigars, sexy women, fast cars, and money. Raised in the mean streets of East L.A., he has seen many of his homies fall in the street. Cortez has outlasted many because of his street skills.

### QUEEN B

Queen B is sexy, tough, and quick on the trigger. She lives by her name; if you get in her way, she'll sting you with a round of bullets.

### ANGELINA

Gorgeous and sexy, but do not be fooled by her good looks; she's deadly with a weapon. Angelina will stop at nothing to complete her mission.

Please do not send any game returns directly to Ubisoft before contacting Technical Support. It is our policy that game returns must be dealt with by the retailer or online site where you purchased the product. If you have a damaged or scratched CD, please visit the FAQ listing for your game and get the latest replacement policy and pricing. We will not accept unsolicited returns/exchanges without prior approval and an RMA (Return Materials Authorization) number from a support representative.

## WARRANTY

Ubisoft warrants to the original purchaser of its products that the products will be free from defects in materials and workmanship for a period of ninety (90) days from the date of purchase. Ubisoft products are sold "as is," without any expressed or implied warranties of any kind, and Ubisoft is not liable for any losses or damages of any kind resulting from use of its products. Ubisoft agrees for a period of ninety (90) days to either replace defective product free of charge provided you return the defective item with dated proof of purchase to the store from which the product was originally purchased or repair or replace the defective product at its option free of charge, when accompanied with a proof of purchase and sent to our offices postage prepaid. This warranty is not applicable to normal wear and tear, and shall be void if the defect in the product is found to be as a result of abuse, unreasonable use, mistreatment, or neglect of the product.

## LIMITATIONS

This warranty is in lieu of all other warranties and no other representations or claims of any nature shall be binding on, or obligate Ubisoft. Any implied warranties applicable to Ubisoft products, including warranties of merchantability and fitness for a particular purpose, are limited to the ninety (90) day period described above. In no event will Ubisoft be liable for any special, incidental, or consequential damages resulting from possession, use, or malfunction of Ubisoft products. Some states do not allow limitations as to how long an implied warranty lasts and/or exclusions or limitations of incidental or consequential damages. So the above limitations and/or exclusions of liability may not apply to you. This warranty gives you specific rights, and you may also have other rights that vary from state to state.

## NOTICE

Ubisoft reserves the right to make improvements in its products at any time and without notice.

## REFUNDS

Ubisoft cannot provide refunds or otherwise process returns for credit of any kind other than an identical product replacement. Any product refund request must occur at the place of purchase, as the individual retail outlets set their own refund policy. This policy covers identical product replacements only.

## PRODUCT/DOCUMENTATION REPLACEMENTS

Please contact a Ubisoft Technical Support Representative directly before sending your product to us. In many cases, a replacement is not the best solution. Our Support Representatives will help you determine if a replacement is necessary or available. You will need to first acquire an RMA (Return Materials Authorization) number to process your return or replacement. Without an RMA number from a support representative, your replacement request will not be processed.

### IF WE DETERMINE A RETURN OR REPLACEMENT IS NECESSARY:

**Within the 90-Day Warranty Period:** Please return the product (media only) along with a copy of the original sales receipt, showing the date of purchase, a brief description of the difficulty you are experiencing including your name, address (no PO boxes) and phone number to the address below. If the product was damaged through misuse or accident (cracks, scratches), or if you do not have a dated sales receipt, then this 90-day warranty is rendered void and you will need to follow the instructions for returns after the 90-day warranty period.

**After the 90-Day Warranty Period:** Please return the product (media only) along with a check or money order for the amount corresponding to your product (see replacement fees below) made payable to Ubisoft, a brief description of the difficulty you are experiencing, including your name, address (no PO boxes), RMA number, and phone number to the address below.
