**⚠ WARNING: PHOTOSENSITIVITY/EPILEPSY/SEIZURES**

**READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.**

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your physician before playing. **IMMEDIATELY DISCONTINUE** use and consult your physician before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- altered vision
- eye or muscle twitches
- loss of awareness
- disorientation
- seizures
- any involuntary movement or convulsion

**RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR PHYSICIAN.**

---

**Use and handling of video games to reduce the likelihood of a seizure**

- Use in a well-lit area and keep as far away as possible from the television screen.
  - Avoid large screen televisions. Use the smallest television screen available.
  - Avoid prolonged use of the PlayStation 2 system.
  - Take a 15-minute break during each hour of play.
  - Avoid playing when you are tired or need sleep.
- 

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

**WARNING TO OWNERS OF PROJECTION TELEVISIONS:**

Do not connect your PlayStation 2 system to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

**HANDLING YOUR PLAYSTATION 2 FORMAT DISC:**

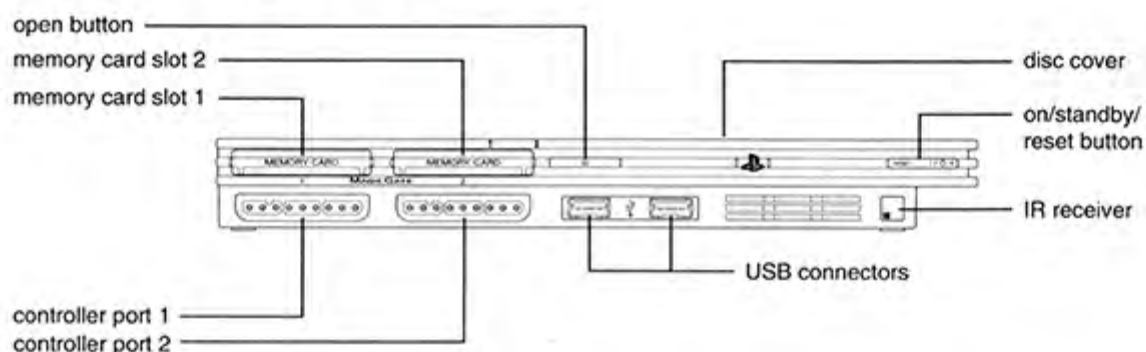

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

## Main Menu

### Story Mode

Play through Story Mode and get a front row seat as you rock out with Alvin, Simon and

Theodore. You'll join the band as they play concerts on their way to the Rockathonapalooza. Some of the venues are small and intimate, while others are huge and intense! It'll take some pretty fantastic playing for the Chipmunks to make it through!

## Quick Play

Select Quick Play from the Main Menu to play any song that's been unlocked in Story Mode. The Quick Play screen shows your unlocked songs with stats for each one.

## Video Mode

Select Video Mode to watch any of the songs you've unlocked in Story Mode. Watch Alvin and The Chipmunks rock out to all the songs you've mastered!

## Multiplayer

Challenge your friends with songs unlocked in Story Mode. See page 12 for more info.

## Options

Learn how to play the game, view credits and delete saved games. See page 9 for more info.

## World Map

Select the song you want from the World Map. Use the directional buttons to select a ticket and play the song associated with that location by pressing the **X** button. You must first play through a song and location in Story Mode before you can play that song in Quick Play or Multiplayer.

## On-Screen Display

Combo Meter

Score

Rockometer

Star Target

Notes

### Combo Meter

Keep track of your Note streak to earn a combo multiplier. The greater the Note streak, the greater the multiplier bonus up to 4x.

### Rockometer

When you miss Notes, your Rockometer will slowly deplete and become more red than green. Be careful and time your button presses well, because if your Rockometer turns completely red the song will end!

### Score

Your score increases every time you successfully hit the Notes within the appropriate Star Target. Get combos to further increase and multiply your high score! You're awarded points for every Note you successfully time within range of the Star Target. For the highest scores possible, pull off Note streak combos to multiply the points awarded for each Note.

### Star Targets

Star Targets are displayed in each corner of the screen. To replenish your Rockometer, time your Star Target selections as the approaching Notes get close to the center of their corresponding Star Targets. You'll get more points that way, too!

# Gameplay

## Timing

Play along with Alvin and The Chipmunks in fast-paced musical gameplay. Time your button presses for the moment the Notes near the center of their four corresponding Star Targets. The better your timing, the more points you'll be awarded and the faster your Rockometer will be replenished!

## Combos

When you hit a certain number of Notes in succession without missing any, your combo multiplier increases. The longer you keep your streak alive, the higher the multiplier becomes—doubling, tripling or even quadrupling your points!

## Alvin

Alvin is the leader of the Chipmunks, and sometimes he lets the fame go to his head. He always wants to be the coolest one in the crowd and likes to show off to please his fans.

## Simon

Simon is the brains of the group. He's always got the best ideas and can keep the Chipmunks out of trouble. He's not as comfortable in the spotlight as Alvin.

## Theodore

Theodore is the youngest of the brothers and therefore gets to have the most fun. He's always hungry and often holds the swing vote between his two brothers' choices of action.

## Dave Seville

Dave adopted the Chipmunks and acts as both their father and their manager. He's passionate about being a songwriter, but his main priority is keeping Alvin out of trouble.

# Locations

## Dream Sequence

Every band has a dream of making it big and the Chipmunks are no different. Is this what it would be like to play a huge, sold out concert?

## Prom

High School proms are a great place to see up-and-coming bands. Can the Chipmunks rock out the gym and get everybody dancing?

## **Mall**

Hey you over there in the Food Court, the Chipmunks are playing! Dave scheduled the boys at a big indoor mall for a daytime show.

## **Treehouse**

The Treehouse is the coolest, bumpingest tree-themed club around! Can Alvin, Simon and Theodore impress the in-crowd at this exotic nightspot?

## **Civic Center**

The biggest crowd yet is waiting to see the Chipmunks! The boys are starting to get an idea what it'll be like at the Rockathonapalooza.

## **Ski Resort**

With snow and ice outside, skiers can stay cozy indoors while listening to rising stars in the music world.

## **Painted Desert**

The Chipmunks have finally reached the craziest desert event in the world! The band and the fans are in for a night of rock!

## **Forest Arena**

A massive crowd has gathered for one of the largest outdoor multi-day concerts in the nation. The Chipmunks have never seen an event like this one!

## Rockathonapalooza

The Biggest, Baddest, Most Rockingest Concert Ever! Enough said.

## Multiplayer

Play a split-screen game along with a friend! First make sure there are two controllers attached to your PlayStation®2 System. Select Multiplayer from the Main Menu and choose your song and options. You can select any song that's been unlocked in Story Mode.

## Winning

Win multiplayer games by getting the highest score. Get more points than your opponent by timing your Star Target selections better and earning combo multipliers.

At the end of each session, you'll see the stats screen that'll show the score for each song and the overall champion. The player with the highest score wins. Get the high score by building combo multipliers and more precise timing of your Notes. You can select any song that's been unlocked in Story Mode.
