## **WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.**

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – **IMMEDIATELY** discontinue use and consult your physician before resuming play.

## **WARNING TO OWNERS OF PROJECTION TELEVISIONS:**

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

## **USE OF UNAUTHORIZED PRODUCT:**

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

## **HANDLING YOUR PLAYSTATION 2 FORMAT DISC:**

# GETTING STARTED

Set up your PlayStation®2 computer entertainment system according to the instructions in its Instruction Manual. Make sure the MAIN POWER switch (located on the back of the console) is turned on. Press the RESET button. When the power indicator lights up, press the open button and the disc tray will open. Place the ANTZ™ EXTREME RACING disc on the disc tray with the label side facing up. Press the open button again and the disc tray will close. Attach game controllers and other peripherals, as appropriate. Follow on-screen instructions and refer to this manual for information on using the software.

A memory card with at least 82KB of free space is required to save game data. ## STORY

The antz are hosting a racing tournament to commemorate Her Majesty's golden jubilee.

The tournament is open to every member of the colony from worker to soldier, the humble to the aristocracy. All an ant has to do to win the cup is ascend the rankings from ten millionth to first by completing all the challenges Her Majesty has devised.

From all over the colony, antz make their way to the challenge registration. They bring with them their boards, insect-powered cars, or just their own four feet, for this tournament is no ordinary racing tournament. Every ant must compete in a variety of different contests—driving, running, flying and boarding—so the winner will have to be a very special ant indeed.

On hearing the news of a racing tournament, Bala, in her impetuous manner, rushes over to Z's quarters to ask whether he will be entering. No sooner does Bala arrive at the now-flustered Z's quarters than in run Azteca and Weaver waving flyers advertising the competition.

After much shouting, Bala, Azteca and Weaver manage to convince a very nervous Z to enter the tournament alongside them. Little do they know that, at the other side of the colony, General Mandible and Colonel Cutter are planning exactly the same thing ...

# CHARACTER DESCRIPTIONS

## Z

In a world of assembly-line toil and breakneck labor, one ant looks around at the happy conforming faces of the workers and raises a cynical protest. Our reluctant hero uses his intellect and individuality to find happiness, get the girl, and help the very colony that made him miserable.

## BALA

A vain, sheltered princess, who is not necessarily comfortable with the prospect of becoming the colony's next baby machine, she is dreading her forced marriage to General Mandible. Bala's perspective on the working class and colony life is transformed by her adventures with Z.

## WEAVER

Z's soldier friend has more muscle than brains, but he has a very good heart. Weaver is a straight arrow who plays by the colony's rules. After Z returns a hero from the termite war, Weaver becomes the main supporter of Z's radical ideas of individualism.

## AZTECA

Azteca, Z's co-worker digging in the tunnels, is a protective friend. She is a staunch supporter of the colony's rules until Z shows her that she has a choice, and Weaver enters her life.

## COLONEL CUTTER

Colonel Cutter is General Mandible's ultra-efficient military aide and a well-trained commando. He shares General Mandible's vision of a stronger colony until Z's actions show him the true strength of the colony's workers.

## GENERAL MANDIBLE

The military leader of the colony, this general believes in the letter of the law. His world is about protocol and efficiency. This master manipulator has plans to remake the colony in his own image of perfection.

## POWER-UPS

During the game, you will be able to drive over flowers and collect special features you can use to gain an advantage.

**Different combinations of the following power-ups will be available.**

### RED BUGS

Red bugs that hover around your head can be released to home in on your opponents and slow them down.

### GREEN BUGS

Green bugs that hover around your head can be released in a straight line at opponents to slow them down.

### **SHIELD**

### **SMOKE SCREEN**

A smoke screen is dropped directly behind you. Anybody behind you will find it hard to see the track!

### **TURBO**

## **ROAD HAZARDS**

The Aphid is dropped on the track behind you and puts your opponents into a spin if they hit it.

Sticky creates a sticky patch on the road surface that will slow down players that drive over it.
