AREA 51: THE STORY

The mysterious Grays have studied humanity for thousands of years. Earth's remote location in the backwaters of the galaxy made it an ideal location for the alien race to conduct research that is too dangerous to perform on any of their homeworlds. Embroiled in an interstellar war with an unknown enemy, the Grays were desperate to develop a super-weapon that would ensure their survival. The natural resources and large population of Earth, combined with the human leadership's corrupt accommodations provide the perfect facility for the Gray's biological warfare development.

In 1947, a Gray research ship experienced a major malfunction resulting in a crash near Roswell, New Mexico. The United States Government quickly covered up the truth, sealed off the site and recovered a badly wounded Gray named "Edgar" who was transported to Area 51 for study. In the time that followed, major elements of the government were co-opted by the powerful Illuminati, a secret organization of elitists dedicated to ruling the world from the shadows. The Illuminati used their influence to set a new secret agenda for Area 51. A major base was built over the initial laboratory that housed the crippled "Edgar", and the Grays established a research facility 3 miles below the desert surface. Since then it has served as the only secure landing site for all subsequent Gray vessels.

In time the Illuminati formed a Pact with the Grays, granting them needed resources (including humans for experiments) in return for exclusive access to Gray technology.

For the last 20 years human and Gray researchers have worked in tandem to great effect, creating a creature-weapon codenamed "Theta" intended for use in the distant alien conflict. One human scientist, Dr. Winston Cray, is working with the mysterious "Edgar" on perfecting a viral weapon. Cray believes mating this virus with the "Theta" project will yield the super-weapon the Grays have long sought.

Tipped off by "Edgar", Dr. Cray now struggles to prevent the Grays from completing their weapon and destroying Earth. Since the Illuminati control the laboratories of Area 51, Cray risks everything by calling for help. He released his viral weapon within the subterranean sections of the base with the intention of creating chaos and distraction within the Illuminati, hoping to stall completion of the Gray's plans and prompt interference from military forces on the surface. The resulting infection spread to the upper sections of the base and military commanders reacted quickly by sealing the area and calling in Military Hazardous Materials Teams. After the initial HazMat Team Delta went missing a second unit was dispatched. HazMat Team Bravo must discover the fate of Team Delta and discover the source of the deadly virus.

AREA 51 CHARACTERS

Specialist Ethan Cole

Ethan Cole is a mission specialist on Hazmat Team Bravo. A trained biologist, Cole's remarkable marksmanship and tactical skills have served him well in his Army career. Cole's primary responsibility on Hazmat Team Bravo is the operation of the AN/PEQ-61 "QuickFix" Scanner. If the team is to develop a countermeasure to a viral threat, the scanner will be the primary means of gaining information. The pragmatic son of a prominent doctor and respected college professor, Cole doesn't believe in little green men.

Major Douglas Bridges

Major Bridges is tough Special Forces officer in charge of the DoD's Quick Reaction Force. If a sensitive military installation experiences a "situation" they cannot control, Major Bridges and his QRF platoons are sent in to contain the threat and employ whatever countermeasures are deemed necessary.

Mitch "Crispy" Chrisman

Crispy attended West Point and almost got kicked out twice. While he barely managed to graduate with a pre-med degree, his constant practical jokes got him assigned to Hazmat Team Bravo as a Chief Warrant Officer. He is the team's medic and is cross-trained in communications.

Jack McCan

Jack McCan is the proud son of a military father and received a degree in biology from Stanford. He has repeatedly declined officer candidate school to stay in the field and remains a sergeant. An avid reader, he's never without a paperback tucked into his BDUs. He is the team's combat arm's specialist and microbiologist.

Anthony Ramirez

Captain Anthony Ramirez is a hard-nosed career soldier with 14 years of service in the United States Army. After commanding a platoon in Major Bridges' elite QRF, he was entrusted with command of Hazmat Team Bravo. He is in extremely good shape (working out an extra 2 hours a day over and above his standard PT regimen) and loves his protein bars. His primary responsibility is team command and control, but he is cross-trained in demolitions.

Dr. Winston Cray

Dr. Winston Cray is a scientist emeritus attached to Air Force Flight Test Center, Detachment 3 (AFFTC Det. 3) otherwise known as Area 51. Originally a scientist attached to Project Paper Clip, he was the first scientist on scene at the UFO crash-site in Roswell, New Mexico. Since that event, he has been in charge of all research involved with Aliens.

AREA 51 ENEMIES

Mutant Scientist

Many of the research scientists trapped in the lower levels of Area 51 were exposed to an unknown mutagen. Possibly viral in nature, this mutagen triggered a rapid growth phase, greatly strengthening the skeletal and muscular systems. Similarly, the virus has caused a severe psychosis in all those infected.

Mutant Security Force

The security component of Area 51 was unprepared for a viral outbreak. Many of them were caught off guard and didn't have time to put on a gasmask. Those infected by the release of the virus mutated rapidly. They seem to retain enough of their humanity to use firearms in a rudimentary manner.

Mutant Leaper

As the virus continues to mutate its human host, the victim begins to completely devolve into an animalistic state. The Leaper is the final phase of human mutation and has lost all humanity. Leapers use all four limbs to move and climb surfaces. They possess wicked talons that can penetrate through body armor.

Mr. White

Mr. White is the Illuminati's representative to the Grays. Originally a scientific peer to Dr. Cray, Mr. White was seduced by the Illuminati and has become Dr. Cray's nemesis. After perfecting human cloning, Mr. White's research was used to create the BlackOps. Mr. White, ever the narcissist, created several clones of himself to ensure a powerbase of loyal servants. Mr. White's cooperation with Gray's is carefully calculated to provide him the technology and weapons to eventually control the world.

AREA 51 ENEMIES

Black Ops

BlackOps are cloned humans, the result of experiments with Alien / Human DNA recombination. These hybrids have excellent combat reflexes and are conditioned to obey orders from the Illuminati and Grays.

Black Ops Leader (RED)

Selected BlackOps are given cloaking armor enhancements and specialized tactical training. Used to command squads of ordinary BlackOps, the BlackOps Leaders are a serious threat and should be eliminated as quickly as possible.

Gray

Not much is known about the enigmatic Grays. Their first contact with humankind was the result of a scout ship that experienced a malfunction and crashed near Roswell, New Mexico in 1947. They communicate using gestures and telepathy. Rarely encountered, they prefer to dwell in the deep bowels of Area 51 experimenting with captive humans. The exact purpose of these experiments are known only to the Grays and their Illuminati counterparts.

Theta

The Theta is the ultimate biological weapon engineered by the Grays to spread a mutagenic virus as quickly as possible to any carbon-based enemy. Theta can communicate and command Leapers. Equipped with an electro-chemical pulse weapon, the Theta is an impressive killing machine. Rumors within the Illuminati elite talk of a "Super Theta" project.

Edgar

Edgar is a deformed and bloated Gray who is imprisoned by his fellow Grays and the Illuminati. Edgar's life, the little it encompasses, remains within a large glass container. This mechanical prison keeps Edgar alive as his blood is harvested to create the viral weapon. Edgar communicates via telepathy and retains the Gray's ability for limited telekinesis. Edgar appears to be lifeless, but his throbbing heartbeat and the eerie fluid moving through his veins warns otherwise. Edgar and Dr. Cray are allies against Mr. Whites and his nefarious plans.

V. Indemnification

You alone are responsible for your use of your Account, and agree to indemnify and hold Midway, GameSpy, and their respective parents, affiliates, subsidiaries, employees, officers, directors, and contractors harmless from any liability or damage, including reasonable attorney's fees, arising from your use of the Service including (i) for or related to your violation of these Access Terms or the Rules of Conduct, (ii) for statements you make or content you post, (iii) for improper or illegal use of your nickname and password, or (iv) for the infringement of any intellectual property or privacy right of any person.

VI. Representations, Warranties, and Acknowledgement

You participate in the Service and its features at your own risk. If you are dissatisfied with any feature, operability, content, the Access Terms (including Rules of Conduct), other agreements Midway imposes as a condition of usage, or any other component of the Service, your sole remedy is to discontinue use of the Service. Much of the content accessible through the Service is posted through third parties subject to these Access Terms and to the Rules of Conduct. Midway does not endorse and is not responsible or liable for any such third party content accessible at the Service. In addition, the Service Providers make no representations about the reliability of the features of the Service, and disclaim all liability in the event of any service failure. You acknowledge that any reliance on such material and/or systems will be at your own risk. The Service Providers make no representations regarding the amount of time that content accessible through the Service will be preserved. By posting content through use of the Service, you will be deemed to have granted Midway a license for the perpetual, non-exclusive distribution of the information or materials worldwide in any form or forum without charge or liability.

THE SERVICE IS PROVIDED ON AN "AS IS, AS AVAILABLE" BASIS. NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THOSE OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE MADE BY THE SERVICE PROVIDERS WITH RESPECT TO THE SERVICE OR ANY INFORMATION OR SOFTWARE ACCESSIBLE THEREFROM. UNDER NO CIRCUMSTANCES, INCLUDING NEGLIGENCE, SHALL THE SERVICE PROVIDERS BE LIABLE FOR ANY INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES THAT RESULT FROM THE USE OF OR INABILITY TO USE THE SERVICE, NOR SHALL THE SERVICE PROVIDERS BE RESPONSIBLE FOR ANY DAMAGES WHATSOEVER THAT RESULT FROM MISTAKES, OMISSIONS, INTERRUPTIONS, DELETION OF FILES, ERRORS, DEFECTS, DELAYS IN OPERATION OR TRANSMISSION, OR ANY FAILURE OF PERFORMANCE WHETHER OR NOT CAUSED BY EVENTS BEYOND THE SERVICE PROVIDERS' REASONABLE CONTROL, INCLUDING BUT NOT LIMITED TO ACTS OF GOD, COMMUNICATIONS LINE FAILURE, THEFT, DESTRUCTION, OR UNAUTHORIZED ACCESS TO RECORDS OR PROGRAMS ACCESSIBLE THROUGH THE SERVICE. IN NO EVENT SHALL THE COLLECTIVE AGGREGATE LIABILITY OF THE SERVICE PROVIDERS FOR ALL DAMAGES, LOSSES, AND CAUSES OF ACTION EXCEED FIVE DOLLARS (\$5.00). SOME STATES DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES; AS A RESULT, THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

VII. Sony Computer Entertainment Inc. Dynamic Network Authentication System Disclaimer

This Software uses "DNAS" (Dynamic Network Authentication System), a proprietary authentication system created by Sony Computer Entertainment Inc. ("SCEI"). "DNAS" retrieves information about a user's hardware and software for authentication, copy protection, account blocking, system, rules, or game management and other purposes. The information collected does not identify the user personally and will not be shared with any non-SCE company. A PUBLISHER CAN COMBINE THIS INFORMATION WITH PERSONALLY IDENTIFYING INFORMATION FROM THE PUBLISHER'S RECORDS IF THE USER PROVIDES THE PERSONALLY IDENTIFYING INFORMATION. BEFORE PROVIDING ANY PERSONAL INFORMATION TO A PUBLISHER, PLEASE BE SURE TO REVIEW THE PUBLISHER'S PRIVACY POLICY AND TERMS AND CONDITIONS OF USE. DO NOT PROVIDE PERSONALLY IDENTIFYING INFORMATION TO A PUBLISHER UNLESS YOU ACCEPT THE CONDITIONS OF USE AND TERMS OF THEIR PRIVACY POLICY. SCEI, Sony Computer Entertainment America ("SCEA") and their affiliates cannot guarantee the continuous operation of the "DNAS" servers. SCEA shall not be liable for any delay or failure of the "DNAS" servers to perform. If you receive a message during login identifying a "DNAS" authentication error, please contact SCEA Consumer Services at 1-866-466-5333. For additional information concerning "DNAS", visit www.us.playstation.com/DNAS. In the event of a systems incompatibility or inoperability with DNAS, the sole liability of SCEI, SCEA and their affiliates shall be limited to the repair or replacement of the user's affected game software, console or peripherals at the option of SCEA. SCEA, its parents, affiliates, or licensed Publishers shall not be liable for any delays, system failures, authentication failures, or system outages, which may, from time to time, affect online game play or access thereto.

VIII. Miscellaneous

You acknowledge that the Service Providers have the right to delete any messages, files, or any other content that you may have uploaded to any feature of the Service at Midway's sole discretion, including messages, files or any other content that has not been accessed for some period of time and is deemed by Midway, in its sole discretion, to be abandoned, or any materials that violate the terms of this or any other binding agreement.

Both you and the Service Providers acknowledge and agree that no partnership is formed between you and the Service Providers, and neither you nor the Service Providers has the power or the authority to obligate or bind the other. This Agreement will be governed by and construed in accordance with the internal laws of the State of Illinois.

No personally identifiable information is collected in order for you to access the Service, and we thus do not knowingly obtain personally identifiable information from anyone including children under 13 during the provision of the Service. To the extent Midway becomes aware that a child under 13 has provided personally identifiable information to the Service Providers, the Service Providers will take measures to remove such information from its databases and from the Service.
