A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – **IMMEDIATELY** discontinue use and consult your physician before resuming play.

GETTING STARTED

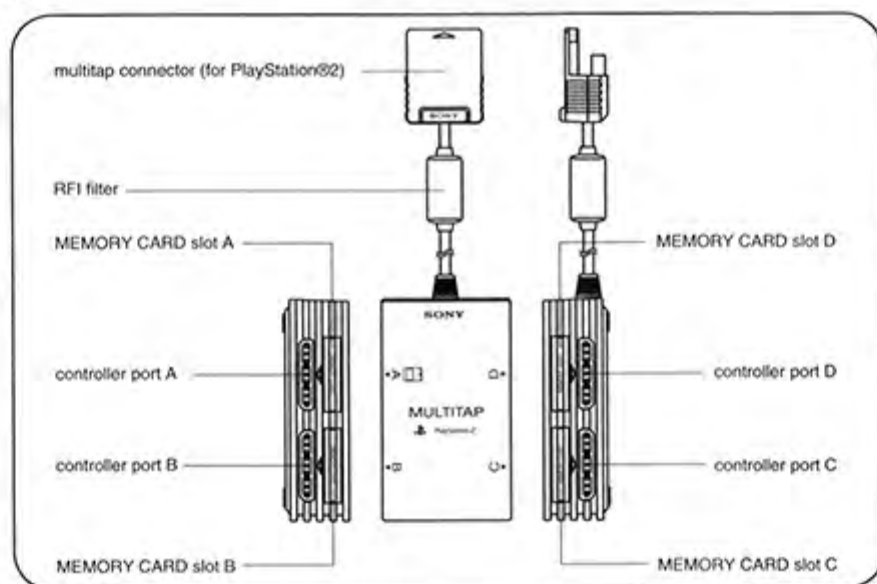

Set up your PlayStation[®]2 computer entertainment system according to the instructions in its Instruction Manual. Make sure the MAIN POWER switch (located on the back of the console) is turned on. Press the standby/RESET button. When the power indicator lights up, press the OPEN button and the disc tray will open. Place the *Backyard Basketball*[®] game disc on the disc tray with the label side facing up. Press the OPEN button again and the disc tray will close. Attach game controllers and other peripherals, as appropriate. Follow on-screen instructions and refer to this manual for information on using the software.

Insert a memory card (8MB) (for PlayStation[®]2) in MEMORY CARD slot 1 if you wish to load a saved game or save a game. *Backyard Basketball* requires 100KB of free space on your memory card to save your game progress.

Note: Never remove the memory card or turn the console power OFF when loading or saving a game. It is also advised that you do not insert or remove accessories once the power is ON. Make sure there is enough free space on your memory card before commencing play.

Note: The game supports DUALSHOCK[®]2 analog controller. Digital controllers are not supported.

Multitap

If three or more people are competing in *Backyard Basketball*, you must have a multitap (for PlayStation[®]2) connected to the PlayStation[®]2 game console. Refer to the instructions that came with your multitap for information on how to connect it to the PlayStation[®]2 game console.

SAVING AND LOADING

Your Season Play progress is automatically saved following the completion of each *Backyard Basketball* season game. To pick up exactly where you left off in the schedule, simply sign in as the same coach. **Note:** Your Mini-Games progress is also saved automatically. However, games played in Play Now mode and Pick-Up Game mode are not saved.

Each saved coach takes up 100KB on your memory card (8MB) (for PlayStation®2). The only limit to the number of coaches you can save is the capacity of the memory card. See "Choose Coach Screen" on page 9 for instructions on deleting coaches.

The Global Options file, which contains game settings and any unlocked extras, takes up an additional 81KB on the memory card. Only one Global Options file is saved per memory card.

Note: The game supports a memory card in MEMORY CARD slot 1. MEMORY CARD slot 1-A is also supported if using a multitap. MEMORY CARD slot 2 is not supported.

MINI-GAMES (1-2 PLAYERS)

Around the World

Around the World is a one-on-one, turn-based game. Each player tries to be the first to make a shot from each of 19 preset positions around the court. Shots are taken in a predetermined order.

Hot Shot

Hot Shot is a one-on-one, round-based game. In this game, each player can select from several shooting locations on the court. Every location has its own point value. There are three rounds of play, and the player with the most points at the end of the third round is the winner.

Horse

Horse is a one-on-one, turn-based game. Each player may shoot from anywhere on the court. If he or she makes the shot, then the other player must make a shot from the same location. When a player misses a required shot, he or she gets a letter. When he or she has enough letters to spell the word HORSE, the game is over, with the win going to the opposing player.

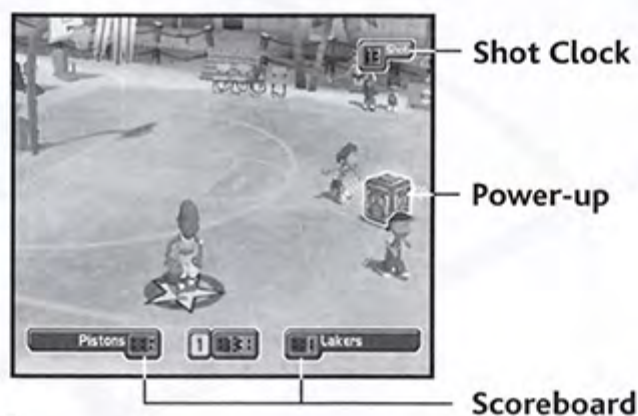

Practice Mode

Select a court, then practice your shooting, passing and dribbling skills. When you're finished practicing, press the **START button** and then select Quit to Main Menu.

OFFICIAL BBA RULES

Backyard Basketball uses rules similar to those used by the National Basketball Association, with a few modifications.

Scoring

Field Goal: A successful shot taken from inside the 3-point line is worth 2 points.

3-Point Field Goal: A successful shot taken from beyond the 3-point line is worth 3 points.

Free Throw: A player is given one, two or three uncontested ("free") shots at the basket from the free throw line. Each successful free throw is worth 1 point.

Possession

Play begins with a jump ball at center court. A player from each team stands in the center circle and attempts to tip the ball to a teammate.

After a team makes a basket, the other team begins its possession by first taking the ball out of bounds and then passing the ball to a teammate.

Each team is given 24 seconds in which to shoot the ball. The shot clock resets when a shot is made, when the ball hits the rim or when a turnover occurs. If the shot clock reaches 0, possession is given to the opposing team.

Time

Four quarters, variable time setting.

Overtime (O.T.) consists of 1-minute quarters.

24-second shot clock.

Clock stops on violations, fouls, turnovers, substitutions and timeouts.

Each team is given 6 timeouts per game, and then 1 timeout per O.T. quarter.

Fouls

Defensive: A defensive player who pushes or makes excessive contact with an offensive player is charged with a foul.

Offensive: An offensive player who runs into a defensive player that has established a set position on the court is charged with a foul.

TECHNICAL SUPPORT (U.S. & CANADA)

Help Via the Internet

Up-to-the-minute technical information about Atari products is generally available 24 hours a day, 7 days a week via the Internet at:

<http://www.atarisupport.com>

Through this site you'll have access to our **FAQ** (Frequently Asked Questions) documents, our **Hints/Cheat Codes** if they're available, and an **E-Mail** area where you can get help and ask questions if you do not find your answers within the **FAQ**.

Note: In the event we must send you a Hint Sheet, FAQ document, patch or update disc via E-mail, we may require verifiable consent from a parent or guardian in order to protect children's privacy and safety online. Consent Forms are available at the web site listed above.

Help Via Telephone in the United States & Canada

For phone assistance, call **Atari Technical Support** at **(425) 951-7108**. Our **Interactive Voice Response** system is generally available 24/7, providing automated support solutions immediately.

This console-based product has automated support, which includes information such as gameplay tips, information on Control Keys, possible Cheat Code combination keys, and instructions for finding secret screens and/or additional game levels (if these type of items exist and are made available for this particular product).

Great News! We've improved our Automated Systems so that you can get product-specific Troubleshooting help more quickly. All you need to do is enter the product's **Part #** when prompted to do so. This will take you directly to all of our known issues and solutions for this title. The product's **Part #** is located in several places (on the CD label, Game Pak, package and/or plastic disc case, if applicable) and is usually identified by a number such

as **04-12345**. When prompted by the Automated System, enter the **last five digits** of your product's Part #. (For example, Part # 04-12345 would require that you enter the "12345" portion of the number for that product.) **Note:** Some products simply feature a five-digit Part # without an "04-" prefix.

Live support is generally available Monday through Friday, 8:00 AM until 6:00 PM (Pacific Time). **Note:** We may be closed on major holidays.

Product Return Procedures in the United States & Canada

In the event our technicians at **(425) 951-7108** determine that you need to forward materials directly to us, please include a brief letter explaining what is enclosed and why. Make sure you include the Return Merchandise Authorization Number (RMA#) supplied to you by the technician, and your telephone number in case we need to call you. You will receive the mailing address when the technician gives you the RMA#. Any materials not containing this RMA# will be returned to you unprocessed.

Warranty Policy in the United States & Canada

If our technicians determine that the product storage medium is found to be defective within ninety (90) days of original purchase, (unless otherwise provided by applicable law), Atari will replace the item free of charge, to the original purchaser, if the item is accompanied by the original dated receipt and packaging.
