If you experience any of the following symptoms while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — IMMEDIATELY discontinue use and consult your physician before resuming play.

The Main Menu contains all the options necessary to get started. Highlight an option, then press the **X** button to make a selection. Pressing the **○** button will allow you to create or change a Profile that is used to play in each of the game modes (see **PROFILES** below).

QUICKPLAY

This is the quickest way to the field. You'll first select how many players (1 or 2) you want for your game, then you'll need to decide if you want to be the **HOME** or **AWAY** team. Once you've decided on those two options, the Profile Menu will be displayed.

PROFILES

To get started, you'll need to create a personal Profile. With a memory card (8MB) (for PlayStation®2) inserted in your console, you can create a Profile and then save all your game progress and settings. Each time you play a game, you'll be prompted to load or create a new profile. If you don't have a memory card, your profile won't be saved once you power down.

To create a profile, press the **L1** button or **L2** button to choose a memory card (if you have more than one inserted in your console). Once you select **CREATE PROFILE**, press the directional buttons **↑**, **↓**, **←** or **→** to highlight a character, then press the **X** button to select it. Repeat the process until you've spelled out the name you want, then select **END**. When you're finished, you'll go to the Team Select screen.

NOTE: Two Player Quickplay supports only the use of one memory card. Only the person who initiates the two player game will have the ability to choose a memory card slot in which to load.

CAMPAIGN MAIN MENU

Once you've put your team together, the Campaign Main Menu is displayed.

PLAY GAME

When you've finished setting up your team, select this option to start your game.

TRAINER

The Trainer option is used to train your players to make them stronger and faster. Use the PLAYERS option to choose a player, choose an aspect of his skills then start his training to increase his performance. The EQUIPMENT option lets you choose better, stronger equipment that will also increase your player's performance. When you have an injured player, you can use the INJURIES option to help him get back out on field.

Of course, training, equipment and players' health cost money, so you'll need to budget your money and decide the amount of training you can afford. Your money is displayed on each training menu to help you keep track.

Each player can be trained on two different regimens at once along with one JUICE enhancer treatment. Press the ⊗ button to select TRAIN 1, TRAIN 2 or JUICE.

To select a Training Regiment, select the machine you wish to use to train the player. To Juice him, use the ⊗ button to select JUICE, then select BUY ENHANCEMENT, and then select the enhancer you wish to use.

Main Menu

On each Training Regiment, you'll see three dots. Each of these represents the amount of machines that are left for usage. When all three are used, the machine will turn red. You cannot use another one of these machines unless you remove the machine from one of the three players using it.

Each Training Cycle takes three weeks to complete. You can tell which week the Training Regiment is in by looking at the Week below the TRAIN 1 and TRAIN 2 slot, represented by a 1/3, 2/3 or 3/3. Training bonuses are only received when the cycle passes Week 3. If you remove him prior, he will lose any gains he's made.

Press the **△** button to buy even better Training Regiments!

Juicing a player is risky. Some enhancers have negative side-effects. The cumulative effects of these are measured by the bar to the right of the JUICE option on each player. Once he is in the red, you run the risk of being fined and having the player banned from juicing for 4 weeks!

PLAYERS

Use this option to edit the look of your players. Press the directional buttons **↑** or **↓** to highlight an option, then press the directional buttons **←** or **→** to make adjustments. Press the **○** button to toggle Offense and Defense.

STATISTICS

View player statistics and league standings using this option. Press the **LT** button or **R1** button to cycle through the statistical categories. To toggle between League Standings and Statistics, press the **□** button.

Your club has a cheerleader squad. You can select your cheerleaders and choose what they wear. Choose **SELECT SQUAD** to access your cheerleaders, then press the directional buttons **←** or **→** to choose a girl. Press the **×** button to select the girl you want to replace, then select the girl to replace her. The **SELECT OUTFIT** option lets you choose from three outfits and three others that you can unlock.

Main Menu

ACCOLADES

Your Trophy room will be decorated with trophies, awards and even FHM covers. Highlight an award or cover, then press the **X** button to take a look. Press the **O** button to toggle between the two trophy rooms.

You can also choose between 1, 2, 3, 4 or 5 minute **QUARTERS**. **CLASH MODE** can be turned **ON** or **OFF**, as well as the **VIBRATION** feature of your **DUALSHOCK®2** analog controller. For **Video** options, make adjustments to the **CAMERA**, **CINEMATICS** or **PLAYER ICONS**. The **Save Manager** option lets you turn **Autosave On** or **Off**.

TRAINING CAMP

If you're playing the game for the first time, the **Blitz Training Camp** is the best way to learn how to play the game. On-screen instructions will walk you through the ins and outs of the game's **RUSHING**, **PASSING**, **RECEIVING** and **DEFENSE**. **Training Camp** is also a great way to learn the game's offensive and defensive combos. The **PRIMETIME** option will test your ability to use multiple moves you've learned in **Training Camp**. We recommend that you also check out the **VIDEOS** option for some helpful video instructions.

NOTE: Completing **Training Camp** will not only help you play every aspect of the game better, it will unlock items.

EXTRAS

The **Extras** option contains several categories of unlockable extras you can obtain to enhance **Blitz: The League's** game features. Unlock features regarding **PLAY MODES**, **CONCEPTS**, **MEDIA**, **CHEERLEADERS**, **CODES**, **CREDITS** and **TRAILERS**.

Select an option, and on-screen instructions will tell you what you need to do to unlock the feature. Once you unlock the feature, select the option again to obtain the code that unlocks the feature. POSSESSION CIRCLES

Player Icons

Possession Circles appear below some players during gameplay. Player one's character is denoted with a Blue circle and Player two's character will have a Yellow circle. When they have possession of the ball, CPU controlled players have a grey circle. Possession Circles also contain the Turbo Meter.

TURBO METERS

These meters are visible beneath a human controlled player. Turbo Meters start fully charged with the maximum amount of Turbo available. As it's used, the meter diminishes inward. When it's empty, release the **R2** button (Turbo) to allow it to recharge. Remember, players run slower when you've exhausted all your turbo. Release the **R2** button, and turbo will recharge.

PLAYER INDICATORS

These colored numbers appear prior to each play, so you'll know the player you're controlling. The numbers correspond to the controller you're using. They'll disappear a few seconds after players are set.

RECEIVER BUTTONS

Each receiver has a controller button (○, ×, △ or ◻) attributed to them. Pre-snap, press the **L2** button to view them. Before a pass, look down field, then press the button displayed over the receiver you want to receive the pass.

AUDIBLES

Press the **○** button at the line of scrimmage to call up the Audibles Window. Each new play is represented by a button on the controller, so press the button next to the new play you want to run. Make a quick decision, because you're not afforded much time to call your audible before the play starts.

PLAY SELECTION

The Play Selection Screen is displayed between each play. Players on Offense and Defense each press the directional button **↑** or **↓** to highlight a formation, then press the **⊗** button to select it. For each formation, there several pages of plays. Press the directional button **↑** or **↓** to move through the pages of plays. Each play is represented by the **○** button, **⊗** button or **△** button. Press the button next to the play you want to run. Press the **⊙** button to back out of a selected formation. Press the directional buttons **←** or **→** to view a tip about each play.

Flipping Plays

You can increase variety by reversing the plays. While you're selecting plays, press the **R1** button to flip the play.

TAUNTING

During a play, you may find yourself carrying the ball with a large lead on a defender. When this happens, you'll see the image of the right analog stick appears on the screen. At that point, press the right analog stick **↑**, **↓**, **←** or **→** to select one of four different taunts.

NOTE: Taunting sacrifices speed, so make sure you won't be tackled. If you're tackled while taunting, you'll stand a greater chance of fumbling.

JUMP PASS

Press the **R1** button right before throwing the ball to make your Quarterback leap in the air before throwing. A successful Jump Pass can help you hurdle would be tacklers!

On The Field

Clash Meter

Unleash Meter

CLASH METER

The Clash Meter shows how long you can stay in Clash Mode. The bar drains when you hold down the **L2** button on offense and when you execute a Dirty Hit on defense. It can be replenished with big plays on the field.

Below the Clash Meter, the Clash Icon Meter counts how many Clash Icons you've collected (for more information on Clash Icons, next page). Once you illuminate all six icons, you will be rewarded by entering Unleash Mode. The meter will then transform into an Unleash Meter.

CLASH MODE - OFFENSE

Clash Mode gives the offense an advantage by slowing down the defense. It also makes offensive moves more powerful, including power moves, evades, and catches. These combos also award you with valuable Clash Icons. Enter Clash Mode by holding down the **L2** button. You can always regain Clash by gaining yards, scoring touchdowns and making big plays.

CLASH MODE - DEFENSE

Clash Mode on defense amps up your hits. Hold down the **L2** button to use your Clash Meter when you perform a hard hit (**X** button) to pummel the opponent with a Dirty Hit. Dirty Hits are more apt to cause fumbles and will also award you with Clash Icons. Using your Clash on defense will not cause a blur effect. Instead, it will only deplete when the hit is successful. Successful hits reduce the victim's stamina, displayed by a number above his head. This lowers their abilities, making them more prone to injury.

UNLEASH MODE - OFFENSE

When you've accumulated six Clash Icons, your Clash Bar will transform into an UNLEASH BAR. Unleash Mode is triggered just like Clash (hold **L2** button). Once you perform a special move in Unleash Mode, you will exhaust all of your Unleash Energy. Unleashing on offense amplifies your moves and gives you a few seconds of invulnerability. To use a QB Unleash, tap the right analog stick to perform an evasion. You cannot Unleash a QB unless he's in the backfield and the right analog stick is tapped toward the defender while holding down the **L2** button. As the ball carrier, press the Evade or Power button to perform Unleash versions of those moves. When the ball is in the air, enter Unleash mode and press the **△** button to perform an Unleashed Catch. **WARNING:** You get only one Unleash Move. Once you use it, or run out of Unleash Energy, you'll drop back into Clash Mode.

On The Field

UNLEASH MODE – DEFENSE

When you're in Unleash Mode on Defense, your Dirty Hits have a great chance of causing a fumble or injuring an opponent. When your team is in this mode, hold the **L2** button to use your Unleash energy then press the **X** button to attack with an Unleashed Dirty Hit. Successfully performing an Unleash Hit will exhaust all of your Unleash energy.

CLASH ICONS

Below are the Clash Icons you can earn to gain Unleash ability.

On The Field

INJURIES

Players can sometimes be injured on the field. When this happens, an image of an injury appears, followed by two options. You can select to TREAT the injured player or JUICE him.

Juicing an Injured Player

When you Juice a player back into playing condition, he can return sooner than he would if he was treated. Be aware, though, there's a higher risk that more injuries could occur to the player.

Treating a Player Back to Health

If you don't choose the short term solution, Treating a player back to health will ensure a stronger injury recovery. Of course, you sacrifice time.

THE KICKING GAME

You control all aspects of the Kicking Game. Kickoffs, Punts, PATs and Field Goals are up to you. When you choose to kick, the Kick Meter appears. Prior to kicking, a series of buttons are displayed inside the Kick Meter. As a button appears, immediately press that button. Kicking depends on your ability to hit the buttons quickly and accurately. You can also spook the kicker by pressing the **△** button before the snap. This will vibrate your opponent's controller.

NOTE: When kicking field goals, PATs or Punts, try to correctly press better than 49 percent of the buttons. Otherwise, the snap can be fumbled.

Field Goal & PATs

When you're attempting a field goal, the length of the field goal will determine how many of the buttons you'll need to press prior to the snap of the ball. For example, if you're in close, you may have to press as few as four buttons for a field goal. If you're attempting a long distance field goal, you may have to press as many as seven buttons. The success of a field goal depends on the skill level of the team and/or the kicker. In Campaign Mode, you can increase your chances of success by upgrading your kicker's skill level through training.

Onside Kick

When you attempt an Onside Kick, the percentage determines how likely the other team will fumble the ball after receiving the kick.

On The Field

BRAWLING

With increasing amounts of Dirty Hits or Unleash Hits on offense, players become more irritated. You'll eventually see the words "TEMPERS FLARING" display, followed by two helmet icons. With the helmet icons displayed, the next Dirty or Unleashed Hit will cause a brawl.

Brawls last 10 seconds. The player that gets the most Late Hit icons during a Brawl will get to keep them. The player that loses gets nothing. It's a great way to build up your Unleash Meter!

PAUSE OPTIONS

During the game, press the **START** button to view the Pause Options screen. You can view the Player Icon Legend by pressing the **○** button.

INSTANT REPLAY

If you make a great play, take a look at the replay. Use on-screen controls to view the play.

CALL TIME OUT

You get two Time Outs per half.

STATISTICS

Take a look at the game's current stats.

CHALLENGE

In Campaign Mode, you can check the Challenges option on the in-game Pause Menu to see what your current wager is, or if there are special Campaign Mode challenges currently active.

TEAM STATUS

Review the status of either team's players. Press the directional button **←** or **→** to cycle between the teams. The **⊗** button displays players on Offense, the **⊙** button displays defense and the **⊕** button displays injured players.

Welcome to the Midway Blitz®; The League™ Online Network. Powered by GameSpy™. In order to use the online features in Blitz®; The League™ we need for you to read the information below, as it describes the terms under which we are offering you this extended functionality, and the rules that we require you to abide by when using the Midway Blitz®; the League™ Online Network. When you have read the information below, please select the 'AGREE' button to continue if you agree to the terms and conditions stated. If you select 'DISAGREE' you will not be able to use the Midway Blitz®; The League™ Online Network.

Midway Home Entertainment Inc. Blitz®; The League™ Online Access Terms and Privacy Statement

These Blitz®; The League™ Online Access Terms and Privacy Statement ("Access Terms") apply to your use of any possible online multiplayer and community services – such as online competitions, in-game public and private chats, voice conversations, online tournaments and gameplay – ("Service") brought to you by Midway Home Entertainment Inc. ("Midway") 10110 Mesa Rim Road, San Diego, California 92121, through its service provider, GameSpy Industries, Inc. ("GameSpy"). Midway and GameSpy are referred to collectively as "Service Providers." To access the Service, you must have purchased a copy of Midway's Blitz®; The League™ game for PlayStation®2, have a network adaptor (Ethernet/modem)(for PlayStation®2), and have broadband Internet access. The Service Providers do not allow children under 13 to participate in the Service. If you are between the ages of 13 and 17, you should obtain your parent or guardian's permission before participating in the Service.

You should read these Access Terms carefully, as they contain the Rules of Conduct that apply to your use of the Service. As part of our efforts to bring you new and exciting features, we may update these Access Terms from time to time. It is your job to periodically review these Access Terms for applicable changes. Your use of the Services after we post any changes to these Access Terms constitutes your agreement to those changes.

I. Your Registration; User Account; Privacy

To access the Service, you will need to create a registration account ("Account"). By creating your Account, you will be asked to agree to comply with these Access Terms and the Rules of Conduct. To create your Account, you will be prompted to enter a nickname and password. During the registration process we may also collect your PlayStation®2 or Blitz®; The League™ identification number. These identification numbers are unique numbers assigned to your machine or your copy of the game, and do not contain any personally identifiable information. GameSpy may collect this information in order to assist Midway in providing services and features to you, such as verifying winners in any online tournaments Midway may offer. You will not be required to provide any personally identifiable information during the registration process. Your nickname will be your online identity when you use the Service. You may not select a nickname that is already in use by another user.

You acknowledge and agree that the Service provides you with access to other individuals, including the ability to talk to other players using an optional headset, and that you have no expectation of privacy when using the Service. You further understand and acknowledge that you have control over your privacy on the Service, and that to the extent that you release personally identifiable information to other users through use of the Service, you do so at your own risk. To protect your identity, we encourage you not to use your first or last name as your nickname, and not to disclose personally identifiable information to others on the Service.

Midway may offer sweepstakes, contests, or other interactive features (such as email notifications) in the future. In order to receive or participate in those features, you may need to disclose some personally identifiable information to Midway. Any such information Midway collects will be subject to the terms of the privacy policy you are given at the time you are asked for the personally identifiable information. Your participation in one of these additional Midway features may also be subject to a separate agreement or additional rules.

By creating an Account, you agree that use of your Account is expressly limited to you. Your Account may not be transferred or shared with any other party, temporarily or permanently, including any individual whose Account was terminated by Midway. You further agree to bear sole responsibility for all uses of your Account and for the confidentiality of your password.

II. Rules of Conduct

YOU AGREE TO OBEY THE RULES OF CONDUCT AT ALL TIMES WHILE YOU ARE USING THE SERVICE. YOU UNDERSTAND THAT IGNORANCE OF THE LAW OR OF THE RULES OF CONDUCT IS NOT AN EXCUSE. Your compliance with the Rules of Conduct will be interpreted by Midway, and Midway's decisions regarding your compliance are final. By using the Service, you agree to submit to the interpretation and enforcement of the Rules of Conduct by Midway.

By accessing, participating in, or otherwise using the Service, you agree to the following Rules of Conduct:

1. You agree that you will not say, submit or otherwise post or state to other users any content that:
 - a) Contains offensive, profane, harassing, defamatory, inappropriate, racist, threatening, infringing, obscene, or unlawful material, including content that contains excessive shouting (ALL CAPS) or flooding (the posting of repetitive text);
 - b) Contains slanderous or libelous comments about other users, the Service Providers' employees, or other individuals;
 - c) Contains personal information about any individual;
 - d) Violates the privacy of any other individual or entity;
 - e) Contains business solicitations of any type, including advertising a product, offering a product for sale, or directing readers to a location for more information about a product;
 - f) Contains viruses, corrupted files, or any other similar software or programs that may adversely affect the operation of the Service Providers' system or a third party's computer;
 - g) Undermines the operation of the Service or a feature thereof; or
 - h) Contains unauthorized copies of third parties' works.

You understand and agree that Midway has the right to take any action it deems reasonable to end any offensive or otherwise objectionable activity, including the posting of material that violates the foregoing terms.

2. You may not access the Service to collect information, including nicknames, to send mass electronic mailings to users of the Service.
3. You agree not to use the Service to offend, harass, defame, or threaten another individual, including agreeing not to use the Service to form groups or clubs that are based on or espouse racist, sexist or other hate-based philosophies. You further agree not to engage in any activity that interferes with the ability of other users to enjoy the free and unfettered use of the Service.
4. By participating in the Service, you agree not to impersonate any person or entity or falsely represent your affiliation with any person or entity, including any claim to be, or impersonation of, an employee, authorized representative or member of Midway or GameSpy. You further agree not to provide false or misleading information to any Midway employee or authorized representative.
5. You agree not to interfere with, hack, or decipher – or attempt to interfere with, hack or decipher – any transmissions to or from the servers on which the Service resides, or the servers of any other individuals or entities that have access to the Service. You further agree not to exploit the Service, including any hidden bug therein, to attempt to gain an unfair advantage in the play of the Blitz®; The League™ game.
6. The Service may not be used for unauthorized electronic commerce. Use of the Service or any of its features for the sale of products or services is prohibited. If, in the sole discretion of Midway, you are found to be using the Service for any inappropriate commercial purpose, Midway reserves the right to take any action it deems reasonable to end such activity.
7. By participating in the Service, you agree not to violate any local, state, federal, or international law, regulation, rule, or guideline, nor will you discuss any unlawful activities, such as hacking, pirating, phreaking, use or promotion of illegal drugs, the exchange or transfer of pirated software, contraband, or other materials that are in violation of U.S. or international copyright laws.
8. Unless Midway lets you know otherwise, you may not reproduce, duplicate, copy, sell, or otherwise transfer or commercially exploit any Content or any Third Party Content (in each case, as defined in Section IV below), accessible through the Service.

III. Enforcement of Rules of Conduct and Termination

Your use of this site is subject to the Rules of Conduct and the Access Terms, any other terms applicable to the various features of our site, and all applicable laws, rules, and regulations. Midway may terminate your Account with or without notice to you if we believe, using our sole discretion, that you have violated any of the Rules of Conduct, these Access Terms, or any law.

Midway may also, in its sole discretion and at any time, discontinue the Service or any part thereof, with or without notice. You agree that you do not have any rights in the Service and that Midway will have no liability to you if the Service is discontinued or your ability to access it is terminated, and will not grant any refunds if your Account is terminated.

IV. Midway Content

All content accessible through the Service, including art work, graphics, images, screen shots, text, music, digitally downloadable files, trademarks, logos, product and character names, slogans, and the compilation of the foregoing ("Content") is the property of Midway and its licensors and is protected in the U.S. and internationally under trademark, copyright, and other intellectual property laws. Third party content, including trademarks, trade names, characters, and trademarks and copyrights ("Third Party Content") is the property of the third parties that market or license that content, and is used by Midway subject to license, or subject to the fair use provisions of U.S. law. Users of the Service are expressly forbidden to misuse any Content or any Third Party Content that appears on the Service. You agree not to display or use any Content or Third Party Content accessible through the Service, in any publications, in public performances, for any commercial purpose, in connection with products or services that are not those of Midway, in any other manner that is likely to cause confusion among consumers, that disparages or discredits Midway and/or its licensors (including GameSpy), that dilutes the strength of Midway's or its licensors' property, or that otherwise infringes Midway's or its licensors' intellectual property rights. This includes your agreement that you will not distribute any utilities, tools, software, or other materials that could facilitate the Service or the Blitz®: The League™ game.

If you are a trademark or copyright owner and you believe that your trademark rights have been violated in any way, please complete and submit our Intellectual Property Infringement Notification Form to our designated agent, Michael Burke, at Midway Games Inc., 2704 West Roscoe Street, Chicago, Illinois 60618 or at ip@midway.com. V. Indemnification

You alone are responsible for your use of your Account, and agree to indemnify and hold Midway, GameSpy, and their respective parents, affiliates, subsidiaries, employees, officers, directors, and contractors harmless from any liability or damage, including reasonable attorney's fees, arising from your use of the Service including (i) for or related to your violation of these Access Terms or the Rules of Conduct, (ii) for statements you make or content you post, (iii) for improper or illegal use of your nickname and password, or (iv) for the infringement of any intellectual property or privacy right of any person.

VI. Representations, Warranties, and Acknowledgement

You participate in the Service and its features at your own risk. If you are dissatisfied with any feature, operability, content, the Access Terms (including Rules of Conduct), other agreements Midway imposes as a condition of usage, or any other component of the Service, your sole remedy is to discontinue use of the Service. Much of the content accessible through the Service is posted through third parties subject to these Access Terms and to the Rules of Conduct. Midway does not endorse and is not responsible or liable for any such third party content accessible at the Service. In addition, the Service Providers make no representations about the reliability of the features of the Service, and disclaim all liability in the event of any service failure. You acknowledge that any reliance on such material and/or systems will be at your own risk. The Service Providers make no representations regarding the amount of time that content accessible through the Service will be preserved. By posting content through use of the Service, you will be deemed to have granted Midway a license for the perpetual, non-exclusive distribution of the information or materials worldwide in any form or forum without charge or liability.
