WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — **IMMEDIATELY** discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

Saving and Loading

Saving

At the end of each level, the game will ask if you wish to save the game. This feature will require a memory card (8MB)(for PlayStation®2). More information about the memory card can be found in the memory card section at the beginning of this manual (page 2).

Loading

The Load Game Menu can be accessed from the Main Menu. Once here, use the D-Pad to select the MEMORY CARD slot that holds the memory card (8MB)(for PlayStation®2) where you saved your game.

When you collect a gem, the total number of gems that you have collected will appear in the upper right hand corner of the screen.

Mission Icons

Sometimes when Dora is on a mission, icons will appear in the upper left hand corner of the screen. These icons will first appear in a grayed out state but as Dora advances in her mission, these icons will fill in. Once Dora has all of the icons filled in, she will have completed her mission.

Mission

Flinky, Plinky, Inky, Dinky and Al are friendly space creatures who have landed on Earth. However, they need Dora's help! Their space ship has broken down and they need to get back home, to the Purple Planet. Dora and Boots need your help to lead their new space creature friends back home. To get them back to the Purple Planet, Dora and Boots will have to visit four other planets and find the keys to open the Space Tunnel. Once the Space Tunnel is opened, they will be able to fly straight back to the Purple Planet.
