# THE STORY

(As told by the Emperors Ghost)

I, the former Emperor of the once mighty Uricointi Empire, am now nothing more than a ghost, cursed to roam this world alone for my sins against the 4 immortal heroes. Mine is a story of betrayal, and the sorrows it has sown. It is a betrayal caused by my own hand against the 4 great heroes of my time. They were immortals, yet they served me, the Emperor, with loyalty and valor. They were known throughout our world by simple names that befit the personas which they displayed. They were the Warrior, the Valkyrie, the Wizard, and the Elf. Great deeds had been done by the 4 to maintain the balance of civilization and to spread the Empire throughout the barbaric regions of our world, but they did not see the threat that came from the heart of our Empire, the threat that was my doing.

The 4 had always trusted my wisdom and judgment, but they did not know that there was a dark spot at the core of me, a desire for something that I coveted more than the power of the Empire itself. It was their very immortality that I desired. I had 6 trusted advisors at that time, and they were men of magical skills and power who had stood by me through good and bad times. It was unknown to me then, but one of them did covet both my position and the immortality of the heroes as well. He spoke cunning words to me in the days of my weakness that turned my heart against the heroes and fully convinced me that the heroes themselves were a threat to all that I had accomplished. My thoughts grew dark and then I began to plot with my 6 advisors to magically steal the very immortality of the heroes. We lured the heroes to one place at one time, magically trapped them there and then bound them to the Great Tree Rit'i Malki which grew its very roots into the nexus of magical energy at the bottom of the world.

This horrible deed of betraying the 4 immortal heroes was the first of my seven sorrows and the only one which was in my power to undo. After the imprisonment of the heroes, the 6 turned on me as well, yet before I died, I used what magical energy that I had gained to destroy the great tree and to free the 4 heroes. I also left the heroes a message, begging their forgiveness for my betrayal and asking them to take up the mission to stop the 6 who would use their powers to ruin our world. So yes, I freed them, my 4 loyal heroes, the ones whose counsel I should never have dismissed. And now they must journey through the lands of our world to set right the wrongs that my betrayal and that of the 6 evil advisors have wrought. It is a world now made hostile and monstrous through the misdeeds of the evil men. Those 6 wicked men have taken up various forms, and using their new powers for dark magic, each now grows stronger as they bring a reign of chaos and terror upon our world. The heroes must seek out the 6 and destroy them all in battle to end the chaos and set right what my lack of judgment has wrought. All will be set right if the heroes can triumph. For the sake of our world, I hope they do.

# GAUNTLET HEROES

## WARRIOR (ATHALBRANDR)

The warrior was born over three hundred years ago on the northern islands of Heima. The warrior is quick to anger and slow to forgive. He believes in trading an eye for an eye, and always gives as good as he receives. He is a grim man, not fond of jokes or sarcasm.

He has a short temper with people who are abusive or cruelly witty. He does not believe in mercy for the wicked. Though he hates people obsessed with social custom and status, he finds them more pathetic than despicable. As a boy, it quickly became apparent that the warrior was far from an ordinary person. Learned men told the parents that the child had been born "blessed". In fact, he was so blessed and so powerful that the child was already capable of heroic deeds and he would be truly awe-inspiring when he reached maturity. The scholars' words were true, and the farmer's son was quickly elevated to a retainer of the king, one of three blessed warriors in that ruler's company.

Over the course of many battles, the warrior proved that his capabilities extended far beyond those of the other two blessed immortals. His station within the kingdom was elevated even more. As his importance rose, his intolerance for what he saw as injustice grew even more quickly. Not all of the kings he served were honorable, and though the world seemed to grow smaller every day, the rigid traditions and social mores of Heima did not budge. The oaths of his people became silly formalities to the warrior. He grew tired of what he saw as foolish observances of social custom and the rigid application of the law. The

kings of Heima were lucky that their transgressions were relatively slight in the eyes of the warrior. To cool his temper with wisdom, they assigned valkyries from Northis to protect the warrior. All of them died in battle. Only someone of extraordinary capabilities could hope to survive the intense brutality that he endured.

When a blessed valkyrie was born — blessed in the same manner as the warrior with immortality — she was groomed to be his companion. The warrior grudgingly accepted this valkyrie, but did his best to ignore all of the counsel she gave. Eventually the warrior moved on to serve the Emperor who united the kingdoms of their world, little knowing that this same man would betray him and his fellow immortals. His hate for the evil 6 Imperial advisers was the greatest of all the immortals.

## ELF (IDAIN)

Born and raised in an underground Ailura city near the plains of the migrant Serpent Eaters, the elf was the youngest of the 4 immortal heroes. The elf is a friendly, naïve person with a positive outlook on life and an optimistic attitude toward what happens around him. His learning is informed more by idyllic philosophies than personal experience in the harsh world. Brutality and cynicism fill Idain with sadness, but he always maintains hope that the world can be better tomorrow than it is today. As a child the elders discerned that he was an immortal.

When he reached adulthood, he rose to a position of prominence in the council of his community. His intelligence, compassion, and curiosity were valued highly. When war came to the plains above their community, the council argued about whether they should help the Serpent Eaters fight the empire or stay out of the conflict. He saw that the Empire was bringing civilization to the nations of the world so he chose to serve the Emperor, little knowing that fate would bring a cruel twist to this allegiance. The elf would not abandon his immortal companions and would quest with them to destroy the evil 6 Imperial advisers.

# GAUNTLET HEROES

## VALKYRIE (RAGNEITHUR)

The valkyrie was born almost three hundred years ago on Northis, the smaller of the two islands of Heima. The valkyrie is forthright, protective, and torn by inner conflict. She regrets not having helped the warrior when he needed her, but she believes deeply in the oaths and vows that she made to the king and even to the Emperor who betrayed her. She is slow to anger, slow to take vengeance, but quick to intervene when problems arise between people. She respects those who value honor, kindness, and loyalty. The only people who invoke her scorn are those who stand for nothing but themselves.

On Northis, women give birth to valkyries, guardians to selected male (and occasional female) warriors from Suthurhöfn. Valkyries are typically more well-educated and even-tempered than their warrior counterparts, and are meant to serve as protective and cautious influences over their charges. In the case of this particular valkyrie, she was chosen to serve as the guardian of the blessed immortal warrior Athalbrandr. Ragneithur was the only valkyrie ever born as an immortal; so she alone was capable of withstanding the same level of punishment as her companion.

During the valkyrie's training, the Winter Queen of Northis believed that Ragneithur was exceptional in her wisdom, bravery, and moral virtue. Given the warrior's brash attitude, her extraordinary talents were necessary. While those around her blindly clung to the traditions of Heima culture, the valkyrie had the wisdom and independence to embrace her culture while maintaining her own sense of morality. When the king of Heima made a treaty with the empire, she was upset, but did not defy his commands. She served the Emperor loyally until his betrayal of her and the 4 immortal heroes. Then she followed her oath and her warrior to rid the world of the evil 6 Imperial advisers.

## WIZARD (MADOC)

The oldest of the four immortals, the wizard was born four centuries ago in the land from which the Serpent Eaters migrated, the plains of Gwaedmae. The wizard speaks and thinks in terms of time: seasons, tides, phases of the moon, stages of the heavens. He rarely is concerned with "pressing matters". He is usually the calmest in any situation, no matter how horrible. The wizard is often considered to be cold-hearted because of his detached, passive attitude toward even the most awful atrocities in the world. His black eyes reflect the chaos of the world, absorbing nothing. The wizard was born into the wild tribe of the Helwyr Gorau and was educated as an astronomer and priest.

Because the Serpent Eaters had much knowledge of magic, the early talents of the wizard did not seem particularly exceptional among the ranks of the magicians, but his immortal status would lead to his gathering of much knowledge concerning the magical arts. As his powers developed, he became even more attuned to the energy around him, and he mastered the astrological manipulation of magical forces in a startling amount of time. As with all priests of the Gwaedmae, the Wizard was also a leader of his people on the field of battle, and his forces were always victorious, making him utterly loathed by imperial forces and their allies. Yet the Emperor found his powers to be useful, like those of the other immortal heroes and convinced the wizard to join his cause to bring civilization to the world.

For all his power, the wizard was not prepared for the turn of events that would lead to his betrayal by the Emperor he served. His hate for the evil 6 Imperial advisers became nearly as severe as that of the warrior.

Welcome to the Midway Gauntlet® Seven Sorrows™ Online Network. Powered by GameSpy™.

In order to use the online features in Gauntlet Seven Sorrows we need for you to read the information below, as it describes the terms under which we are offering you this extended functionality, and the rules that we require you to abide by when using the Midway Gauntlet Seven Sorrows Online Network.

When you have read the information below, please select the 'AGREE' button to continue if you agree to the terms and conditions stated. If you select 'DISAGREE' you will not be able to use the Midway Gauntlet Seven Sorrows Online Network.

## Midway Home Entertainment Inc. Gauntlet Seven Sorrows Online Access Terms and Privacy Statement

These Gauntlet Seven Sorrows Online Access Terms and Privacy Statement ("Access Terms") apply to your use of any possible online multiplayer and community services – such as online competitions, in-game public and private chats, voice conversations, online tournaments and gameplay – ("Service") brought to you by Midway Home Entertainment Inc. ("Midway") 10110 Mesa Rim Road, San Diego, California 92121, through its service provider, GameSpy Industries, Inc. ("GameSpy"). Midway and GameSpy are referred to collectively as "Service Providers." To access the Service, you must have purchased a copy of Midway's Gauntlet Seven Sorrows game for PlayStation®2, have a network adaptor (Ethernet/modem) for PlayStation®2, and have broadband Internet access. The Service Providers do not allow children under 13 to participate in the Service. If you are between the ages of 13 and 17, you should obtain your parent or guardian's permission before participating in the Service.

You should read these Access Terms carefully, as they contain the Rules of Conduct that apply to your use of the Service. As part of our efforts to bring you new and exciting features, we may update these Access Terms from time to time. It is your job to periodically review these Access Terms for applicable changes. Your use of the Services after we post any changes to these Access Terms constitutes your agreement to those changes.

### I. Your Registration; User Account; Privacy

To access the Service, you will need to create a registration account ("Account"). By creating your Account, you will be asked to agree to comply with these Access Terms and the Rules of Conduct. To create your Account, you will be prompted to enter a nickname and password. During the registration process we may also collect your PlayStation®2 or Gauntlet Seven Sorrows identification number. These identification numbers are unique numbers assigned to your machine or your copy of the game, and do not contain any personally identifiable information. GameSpy may collect this information in order to assist Midway in providing services and features to you, such as verifying winners in any online tournaments Midway may offer. You will not be required to provide any personally identifiable information during the registration process. Your nickname will be your online identity when you use the Service. You may not select a nickname that is already in use by another user.

You acknowledge and agree that the Service provides you with access to other individuals, including the ability to talk to other players using an optional headset, and that you have no expectation of privacy when using the Service. You further understand and acknowledge that you have control over your privacy on the Service, and that to the extent that you release personally identifiable information to other users through use of the Service, you do so at your own risk. To protect your identity, we encourage you not to use your first or last name as your nickname, and not to disclose personally identifiable information to others on the Service.

Midway may offer sweepstakes, contests, or other interactive features (such as email notifications) in the future. In order to receive or participate in those features, you may need to disclose some personally identifiable information to Midway. Any such information Midway collects will be subject to the terms of the privacy policy you are given at the time you are asked for the personally identifiable information. Your participation in one of these additional Midway features may also be subject to a separate agreement or additional rules.

By creating an Account, you agree that use of your Account is expressly limited to you. Your Account may not be transferred or shared with any other party, temporarily or permanently, including any individual whose Account was terminated by Midway. You further agree to bear sole responsibility for all uses of your Account and for the confidentiality of your password.

### II. Rules of Conduct

YOU AGREE TO OBEY THE RULES OF CONDUCT AT ALL TIMES WHILE YOU ARE USING THE SERVICE. YOU UNDERSTAND THAT IGNORANCE OF THE LAW OR OF THE RULES OF CONDUCT IS NOT AN EXCUSE. Your compliance with the Rules of Conduct will be interpreted by Midway, and Midway's decisions regarding your compliance are final. By using the Service, you agree to submit to the interpretation and enforcement of the Rules of Conduct by Midway.

By accessing, participating in, or otherwise using the Service, you agree to the following Rules of Conduct:

1. You agree that you will not say, submit or otherwise post or state to other users any content that:

- Contains offensive, profane, harassing, defamatory, inappropriate, racist, threatening, infringing, obscene, or unlawful material, including content that contains excessive shouting (ALL CAPS) or flooding (the posting of repetitive text);
- Contains slanderous or libelous comments about other users, the Service Providers' employees, or other individuals;
- Contains personal information about any individual;
- Violates the privacy of any other individual or entity;
- Contains business solicitations of any type, including advertising a product, offering a product for sale, or directing readers to a location for more information about a product;
- Contains viruses, corrupted files, or any other similar software or programs that may adversely affect the operation of the Service Providers' system or a third party's computer;
- Undermines the operation of the Service or a feature thereof; or
- Contains unauthorized copies of third parties' works.

You understand and agree that Midway has the right to take any action it deems reasonable to end any offensive or otherwise objectionable activity, including the posting of material that violates the foregoing terms.

2. You may not access the Service to collect information, including nicknames, to send mass electronic mailings to users of the Service.

3. You agree not to use the Service to offend, harass, defame, or threaten another individual, including agreeing not to use the Service to form groups or clubs that are based on or espouse racist, sexist or other hate-based philosophies. You further agree not to engage in any activity that interferes with the ability of other users to enjoy the free and unfettered use of the Service.

4. By participating in the Service, you agree not to impersonate any person or entity or falsely represent your affiliation with any person or entity, including any claim to be, or impersonation of, an employee, authorized representative or member of Midway or GameSpy. You further agree not to provide false or misleading information to any Midway employee or authorized representative.

5. You agree not to interfere with, hack, or decipher – or attempt to interfere with, hack or decipher – any transmissions to or from the servers on which the Service resides, or the servers of any other individuals or entities that have access to the Service. You further agree not to exploit the Service, including any hidden bug therein, to attempt to gain an unfair advantage in the play of the Gauntlet Seven Sorrows game.

6. The Service may not be used for unauthorized electronic commerce. Use of the Service or any of its features for the sale of products or services is prohibited. If, in the sole discretion of Midway, you are found to be using the Service for any inappropriate commercial purpose, Midway reserves the right to take any action it deems reasonable to end such activity.

7. By participating in the Service, you agree not to violate any local, state, federal, or international law, regulation, rule, or guideline, nor will you discuss any unlawful activities, such as hacking, pirating, phreaking, use or promotion of illegal drugs, the exchange or transfer of pirated software, contraband, or other materials that are in violation of U.S. or international copyright laws.

8. Unless Midway lets you know otherwise, you may not reproduce, duplicate, copy, sell, or otherwise transfer or commercially exploit any Content or any Third Party Content (in each case, as defined in Section IV below), accessible through the Service.

## III. Enforcement of Rules of Conduct and Termination

Your use of this site is subject to the Rules of Conduct and the Access Terms, any other terms applicable to the various features of our site, and all applicable laws, rules, and regulations. Midway may terminate your Account with or without notice to you if we believe, using our sole discretion, that you have violated any of the Rules of Conduct, these Access Terms, or any law.

Midway may also, in its sole discretion and at any time, discontinue the Service or any part thereof, with or without notice. You agree that you do not have any rights in the Service and that Midway will have no liability to you if the Service is discontinued or your ability to access it is terminated, and will not grant any refunds if your Account is terminated.

## IV. Midway Content

Third party content, including trademarks, trade names, characters, and trademarks and copyrights ("Third Party Content") is the property of the third parties that market or license that content, and is used by Midway subject to license, or subject to the fair use provisions of U.S. law. Users of the Service are expressly forbidden to misuse any Content or any Third Party Content that appears on the Service. You agree not to display or use any Content or Third Party Content accessible through the Service, in any publications, in public performances, for any commercial purpose, in connection with products or services that are not those of Midway, in any other manner that is likely to cause confusion among consumers, that disparages or discredits Midway and/or its licensors (including GameSpy), that dilutes the strength of Midway's or its licensors' property, or that otherwise infringes Midway's or its licensors' intellectual property rights. This includes your agreement that you will not distribute any utilities, tools, software, or other materials that could facilitate the Service or the Gauntlet Seven Sorrows game.

If you are a trademark or copyright owner and you believe that your trademark rights have been violated in any way, please complete and submit our Intellectual Property Infringement Notification Form to our designated agent, Michael Burke, at Midway Games Inc., 2704 West Roscoe Street, Chicago, Illinois 60618 or at ip@midway.com. ## V. Indemnification

You alone are responsible for your use of your Account, and agree to indemnify and hold Midway, GameSpy, and their respective parents, affiliates, subsidiaries, employees, officers, directors, and contractors harmless from any liability or damage, including reasonable attorney's fees, arising from your use of the Service including (i) for or related to your violation of these Access Terms or the Rules of Conduct, (ii) for statements you make or content you post, (iii) for improper or illegal use of your nickname and password, or (iv) for the infringement of any intellectual property or privacy right of any person.

## VI. Representations, Warranties, and Acknowledgement

You participate in the Service and its features at your own risk. If you are dissatisfied with any feature, operability, content, the Access Terms (including Rules of Conduct), other agreements Midway imposes as a condition of usage, or any other component of the Service, your sole remedy is to discontinue use of the Service. Much of the content accessible through the Service is posted through third parties subject to these Access Terms and to the Rules of Conduct. Midway does not endorse and is not responsible or liable for any such third party content accessible at the Service. In addition, the Service Providers make no representations about the reliability of the features of the Service, and disclaim all liability in the event of any service failure. You acknowledge that any reliance on such material and/or systems will be at your own risk.

The Service Providers make no representations regarding the amount of time that content accessible through the Service will be preserved. By posting content through use of the Service, you will be deemed to have granted Midway a license for the perpetual, non-exclusive distribution of the information or materials worldwide in any form or forum without charge or liability.

THE SERVICE IS PROVIDED ON AN "AS IS, AS AVAILABLE" BASIS. NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THOSE OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE MADE BY THE SERVICE PROVIDERS WITH RESPECT TO THE SERVICE OR ANY INFORMATION OR SOFTWARE ACCESSIBLE THEREFROM, UNDER NO CIRCUMSTANCES, INCLUDING NEGLIGENCE, SHALL THE SERVICE PROVIDERS BE LIABLE FOR ANY INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES THAT RESULT FROM THE USE OF OR INABILITY TO USE THE SERVICE, NOR SHALL THE SERVICE PROVIDERS BE RESPONSIBLE FOR ANY DAMAGES WHATSOEVER THAT RESULT FROM MISTAKES, OMISSIONS, INTERRUPTIONS, DELETION OF FILES, ERRORS, DEFECTS, DELAYS IN OPERATION OR TRANSMISSION, OR ANY FAILURE OF PERFORMANCE WHETHER OR NOT CAUSED BY EVENTS BEYOND THE SERVICE PROVIDERS' REASONABLE CONTROL, INCLUDING BUT NOT LIMITED TO ACTS OF GOD, COMMUNICATIONS LINE FAILURE, THEFT, DESTRUCTION, OR UNAUTHORIZED ACCESS TO RECORDS OR PROGRAMS ACCESSIBLE THROUGH THE SERVICE. IN NO EVENT SHALL THE COLLECTIVE AGGREGATE LIABILITY OF THE SERVICE PROVIDERS FOR ALL DAMAGES, LOSSES, AND CAUSES OF ACTION EXCEED FIVE DOLLARS (\$5.00). SOME STATES DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES; AS A RESULT, THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.
