WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

DUALSHOCK®2 ANALOG CONTROLLER CONFIGURATIONS

setting up

Set up your PlayStation®2 computer entertainment system according to the instructions in its Instruction Manual. Make sure the MAIN POWER switch (located on the back of the console) is turned on. Press the RESET button. When the power indicator lights up, press the OPEN button and the disc tray will open. Place THE GETAWAY disc on the disc tray with the label side facing up. Press the OPEN button again and the disc tray will close. Attach game controllers and other peripherals, as appropriate. Follow on-screen instructions and refer to this manual for information on using the software.

memory card (8MB) (for PlayStation®2)

PLEASE NOTE: Throughout this manual, the term "memory card" is used to describe the memory card (8MB) (for PlayStation®2). On boot up, any saved options data present on the memory card will autoloading. To save game settings and progress, insert a memory card into memory card slot 1. You can load saved game data from the inserted memory card, or any memory card containing previously saved THE GETAWAY data. Make sure there is enough free space on your memory card before commencing play.

directional buttons - movement

In this manual, ↑, ↓, ←, →, etc. are used to denote the direction of both the directional buttons and the left and right analog sticks. In order to use the left and right analog sticks, the analog controller (DUALSHOCK®2) must be in analog mode (indicator: red). THE GETAWAY can only be played with an analog controller (DUALSHOCK®2).

vehicle controls

character controls

playing the game

crouch CROUCH / CHOKE HOLD / STEALTH MODE / HOW TO STEAL VEHICLES / NAVIGATING VEHICLES

Press **X** when near an object to crouch behind it. Left analog stick **←** or **→** to move character/lean out at a corner. Press **□** to shoot over object. Press **X** again to exit crouch mode.

choke hold CROUCH / CHOKE HOLD / STEALTH MODE / HOW TO STEAL VEHICLES / NAVIGATING VEHICLES

Need a human shield? Press **X** when up close to anyone at all and grab them round the neck in a choke hold to protect yourself from enemy fire. Left analog stick **↑** or **↓** to move character. Left analog stick **←** or **→** to turn character while moving.

stealth mode

CROUCH / CHOKE HOLD / STEALTH MODE / HOW TO STEAL VEHICLES / NAVIGATING VEHICLES

When you are close to a wall, press  to sneak up against the wall. When up against the wall, push the left analog stick  or  to carefully walk along side the wall.

Push the left analog stick  or  when you are close to the corner of the wall to peek around it. Press  again to move away from the wall. (Useful for stealth attacks). Press  to blind fire around a corner.

When leaning out from a doorway, keep the left analog stick in the direction of the “lean out” and press  to step over to the opposite side.

how to steal vehicles

CROUCH / CHOKE HOLD / STEALTH MODE / HOW TO STEAL VEHICLES / NAVIGATING VEHICLES

Never pinched a set of wheels before? Get used to it because there are plenty to choose from. But not everyone is going to give up their vehicles willingly, now are they? Press  to show them you mean business.

When you need to leg it, simply press  again to get out of the vehicle.

navigating vehicles

CROUCH / CHOKE HOLD / STEALTH MODE / HOW TO STEAL VEHICLES / NAVIGATING VEHICLES

The easiest way to get around London is by car. If you don't know which route to take, simply look at your vehicle's indicators and follow their lead. If the right indicator is flashing, just take the next available right turn, and vice versa for the left one. When both indicators flash at the same time, you have reached your destination. No need to get out your A to Z.

the cast

MARK HAMMOND *the fugitive*

A former member of the Soho-based Collins Gang, Mark Hammond is now on the run for the suspected murder of his wife Susie. Desperate not to be captured so he can free his kidnapped child, Mark is trying recklessly to maintain his sanity and freedom.

FRANK CARTER *the vigilante*

A determined member of the elite Flying Squad, Frank Carter's ambition is to nail Charlie Jolson. Some of his superiors, however, do not share his obsession, so Frank must bend the law to bring the Bethnal Green Mob to justice.

CHARLIE JOLSON *the criminal mastermind*

An aging East End gangster and head of the notorious Bethnal Green Mob, Charlie has a taste for the 'finer things in life' like classic Bentleys, Savile Row suits and fat Cuban cigars. But history has passed Charlie by and his London is one he no longer recognises and in the underworld no one stays on top forever.

YASMIN *the assassin*

A stunning brunette and former escort girl, Yasmin gets a kick out of killing men. She has never known a man who wasn't interested in her and uses her allure to lead her contracts to destruction. Beneath this icy pretence, however, lies the heart of a lost little girl.

NICK COLLINS *the Collins gang leader*

Slick Nick epitomises the modern business ethic of 'work hard, play harder'. The Collins Gang controls Soho's bars and are the only modern crew that has come near to the former notoriety of Charlie's Bethnal Green Mob.

SHAN CHU *the Triad leader*

Shan Chu (Bobby) Lee is a recent immigrant from Hong Kong and heads up the London based section of the 14K Triad. The Triads are responsible for protection rackets enforced on the Chinese community, immigrant smuggling and drugs importing.

JAMAHL *the Yardie leader*

Jamahl is the head of the Yardie gang responsible for most of London's drug problems. Heavily involved with arms dealing, these guys are vicious and determined and abide by none of the 'Old Code' that Charlie Jolson pays lip service to.
