Warning

WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — **IMMEDIATELY** discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

Getting Started

Set up your PlayStation®2 computer entertainment system according to the instructions supplied with your system. Check that the system is turned on (the on/standby indicator is green). Press the OPEN button to open the disc cover.

Place the "Happy Feet™" disc with the label side facing up in the disc holder, and then close the disc cover. Attach game controllers and other peripherals as appropriate. Follow the on-screen instructions and refer to this manual for information on using the software.

MEMORY CARD (8MB)(FOR PLAYSTATION®2)

To save game settings and progress, insert a memory card (8MB)(for PlayStation®2) into MEMORY CARD slot 1 of your PlayStation®2 system. You can load saved game data from the same memory card or any memory card (8MB)(for PlayStation®2) containing previously saved games.

DUALSHOCK®2 ANALOG CONTROLLER CONFIGURATIONS

Happy Feet does NOT recommend or support "Analog Joystick" controllers that are not DUALSHOCK®2 analog controllers.

Autosave

Happy Feet uses an Autosave feature. When saving to memory card (8MB)(for PlayStation®2), an "autosaving" icon will appear on screen. Do not remove the memory card or turn off your PlayStation®2 computer entertainment system while saving.

As you progress in the game, the autosave feature automatically saves to your memory card at the completion of each mission.

Note: Happy Feet's Save feature does not save your option settings.

Menu/Sub-Menu Navigation

Throughout this manual, **↑**, **↓**, **←** and **→** will signify pressing Up, Down, Left and Right on the directional buttons. To navigate through the game menus (i.e. Options), use the directional buttons (**↑**, **↓**, **←** and **→** depending on the menu) to highlight a selection.

Quitting a Game in Progress

During the game, press the **START** button to display the Pause Menu. Press the directional buttons **↓** to highlight **Quit**, then press the **X** button. To confirm exiting the game, highlight **Yes**, then press the **X** button again to return to the Main Menu.

Note: You cannot quit a game during a cut-scene.

Story

Based on Warner Bros. Pictures' comedy adventure *HAPPY FEET*, put yourself in the "tap shoes" of Mumble, a young penguin born into a nation of Emperor Penguins— where each needs a Heartsong to attract a soul mate. Unfortunately, Mumble is the worst singer in the world... however, as it happens, he is a brilliant tap dancer!

Experience life as Mumble! Step into his happy feet - from his tap dancing birth, his harrowing escape from a hungry Leopard seal, his fiesta-filled friendship with the Adelie Amigos and finally to his climactic encounter with humankind.

Press the × button.

Dance Pads

Happy Feet does support video game Dance Pads. If you choose to use a Dance Pad, it must be connected to controller port 2 in Single Player mode. In Family mode, you can insert the Dance Pad in controller ports 1 or 2.

Main Menu

New Game

STORY MODE

Play as Mumble and experience the Happy Feet game in Story Mode through Dancing, Swimming and Belly-Sledding missions (see **Story Mode**, pgs. 7-9).

Load Game

When you select this option, any saved games will be displayed up to three Save slots. Select a saved game to load to continue the game.

Family Mode

This is Happy Feet's multiplayer game mode. Two players can play a variety of Dancing, Belly-Sledding or Swimming missions (see **Family Mode**, pg. 10).

Options

LANGUAGE

Highlight **English** or **French**, then press the **X** button to confirm your choice.

SETTINGS

Highlight an option, then press the directional buttons left or right to adjust music or **Sound FX** volume. You can also turn **ON** or **OFF** your controllers **Vibration** and **Autosave**.

Extras

CREDITS

View the names of those who worked to bring you the Happy Feet game.

UNLOCKABLES

As you play Happy Feet in single-player mode, you'll earn Gold Medals. Gold Medals can be used to purchase unlockable content. As you collect Gold Medals, the amount will be saved to your memory card. When you go to the Unlockables screen, the number of medals earned will be displayed.

The Unlockables screen displays eight Unlockables, along with the number of Gold Medals you'll need to view them. Highlight the Unlockable you want to view, then press the **X** button.

NOTES

- Although you're awarded Silver and Bronze Medals, only Gold Medals can be used to unlock items.
- The amount of Gold Medals saved on the memory card is only loaded when you boot up.

Story Mode

This is the single-player game. To start a game, select one of the three available Save slots. Prior to dancing, you'll have the option to choose from **Easy**, **Medium** or **Hard** difficulty settings. If you're playing a game for the first time, a short tutorial will help you learn how to play. You'll need to complete the first Dance level (Out of the Egg) before you can move on to the other types of games.

Story Mode Map

In Story Mode, the Map screen will be displayed each time you finish a Mission. It displays your score and type of medal you've earned. It also displays the name of the Mission, the type of Mission and the scores you'll need to earn each of the three medals. Here are all of the Story Mode game types:

DANCING

Keep Mumble's feet moving by successfully pressing the directional buttons as displayed on-screen (see **Dancing**, pg. 8).

COLLECTION

Collect specified objects as you sled down the hill or swim under water. You must collect a certain amount of items in order to succeed.

RACE

Race other penguins as you sled down a hill.

FLEE

Flee from predators as you swim under water. Swim fast! If they bite you, you'll lose air.

CHECKPOINT

Checkpoint Missions require Mumble to reach each checkpoint before his time expires. When he reaches a checkpoint, more time is added to his counter.

To move to the next mission (or the previous mission), press the directional buttons ← or →. Once you've selected a mission, press the ⊗ button. At the Map screen, you can forge ahead to the next mission or replay any of your previously played missions.

Note: If you fail a mission two times, you will be given the option to Skip the mission. If you decide to Skip the mission, you won't receive a medal. But you can play the mission at a later time to get a medal.

Story Mode

Belly-Sledding

Timer/
Collectibles

Checkpoint

Race
Progress

The HUD display changes based on the type of Belly-Sledding mission you're playing. The Timer will appear for Checkpoint missions, and an item counter will appear for Collection missions. Watch for rocks or rocky surfaces. They'll slow you down if you make contact. Ice surfaces will give you speed. To perform a trick, press the **X** button while in the air.

TIMER/COLLECTIBLES

You must meet each Checkpoint to keep time on the Timer. If you're collecting, the number of collectible objects will be displayed in the upper left portion of the screen. During a race mission, the Timer display total race time.

RACE PROGRESS

The triangular cursor moves from left (beginning) to right (end) on the bar. The number inside the triangular cursor will show you if you're running in first or second place.

CHECKPOINT

Cross the Checkpoint to add more time to the Timer.

Dancing

Grace Meter

Arrows

Note Bar

GRACE METER

Using the directional buttons, you can make the penguin dance. Press the correct directional buttons as the Arrows enter the like icon on the Note Bar. Good timing will break apart the arrow, signifying that your timing was good. If the arrow turns red, your timing was off.

Press the directional buttons at the right time to keep the yellow dots from disappearing. If all of the dots disappear, the dance ends. If you lose any dots, successfully hitting arrows will refill the meter with one dot.

Note: If you run out of dots in Multiplayer mode, you'll have to wait for the Grace Meter to refill before you can continue.

Dancing (cont.)

ARROWS

These directional indicators rise from the bottom of the screen. As they cross the Arrows at the top of the screen, press that same directional button.

NOTE BAR

As indicators cross these arrows, press the matching directional button. For example, when the arrow is pointing up, press the directional buttons **↑**.

Swimming

There are three types of swim missions: Collection (collect items), Checkpoint (race the clock) and Flee (escape from a predator). The HUD display changes based on the type of Swimming mission you're playing. The Timer will appear for Checkpoint missions, and an item counter will appear for Collection missions. Watch for falling Ice columns or ice pillars. They'll slow you down if you make contact, and you will lose air in your Air Meter.

BOOST/BOOST SPEED INDICATOR

Swim through Boosts to add speed to your swim. Each time you swim through a Boost, your speed increases. The Boost Indicator illuminates up to three Boosts. If you swim through three Boosts in a row, your speed will be at its maximum. Once you miss a Boost, the Boost Indicator will reset.

AIR METER

As you swim underwater, your air supply diminishes. Swim through air bubbles to replenish your air.

AIR BUBBLES

Swim through these air bubbles to replenish and increase your air meter.

CHECKPOINTS

Checkpoints are gold rings appearing in the water. Swim through the Checkpoint to add more time to the Timer.

TIMER/COLLECTIBLES

You must meet each Checkpoint to keep time on the Timer. If you're collecting, the number of Collectibles will be displayed in the upper left portion of the screen.

Family Mode

BELLY-SLEDDING

Player 1 guides Mumble down the mountain, and Player 2 uses on-screen button instructions to break through obstacles. Buttons must be pressed at the right time to be most effective.

Note: You'll receive points if you break a gate and sled through it. You'll get no points if you try to go through an unbroken gate or miss it completely. Only Player 2 can break through ice gates while Player 1 controls Mumble.

DANCING

Using the directional buttons, each player can make their own penguin dance. Press the correct directional buttons as the Arrows enter the like icon on the Note Bar. Good timing will break apart the arrow, signifying that your timing was good. If the arrow turns red, your timing was off.

Note: If you run out of yellow dots, you'll have to wait for the Grace Meter to refill before you can continue playing (see **Grace Meter**, pg. 11).

SWIMMING

Both players race underwater, collecting an illuminated item along the way. The player who collects the most items wins. To collect an item, simply make contact with it. Make sure you swim through air bubbles to take in needed air.

Note: If you run out of air bubbles, you'll have to wait for the Air Meter to refill before you can continue playing.

Warranty

MIDWAY HOME ENTERTAINMENT INC. warrants to the original purchaser of this Midway Home Entertainment Inc. software product that the medium on which this computer program is recorded is free from defects in materials and workmanship for a period of ninety (90) days from the date of purchase. This Midway Home Entertainment Inc. software program is sold "as is," without express or implied warranty damages of any kind, and Midway Home Entertainment Inc. is not liable for any losses or damages of any kind resulting from the use of this program. Midway Home Entertainment Inc. agrees for a period of ninety (90) days to either repair or replace, at its option, free of charge, any Midway Home Entertainment Inc. software product, mailed postage paid, with proof of purchase, to its Factory Service Center.

This warranty is not applicable to normal wear and tear. This warranty shall not be applicable and shall be void if the defect in the Midway Home Entertainment Inc. software product has arisen through abuse, unreasonable use, mistreatment or neglect. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES AND NO OTHER REPRESENTATIONS OR CLAIMS OF ANY NATURE SHALL BE BINDING ON OR OBLIGATE Midway Home Entertainment Inc. ANY IMPLIED WARRANTIES APPLICABLE TO THIS SOFTWARE PRODUCT, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE NINETY (90) DAY PERIOD DESCRIBED ABOVE. IN NO EVENT WILL MIDWAY HOME ENTERTAINMENT INC. BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES RESULTING FROM POSSESSION, USE OR MALFUNCTION OF THIS Midway Home Entertainment Inc. SOFTWARE PRODUCT.

Some states do not allow limitations as to how long an implied warranty lasts and/or exclusions or limitations of incidental or consequential damages so the above limitations and/or exclusions of liability may not apply to you. This warranty gives you specific rights, and you may also have other rights which vary from state to state.
