Getting Started

* Note: Illustration may not match all PlayStation®2 console types. For owners of SCPH-70000 series PlayStation®2 systems, refer to the setup instructions supplied with your system.

Set up your PlayStation®2 computer entertainment system according to the instructions in its Instruction Manual. Make sure the MAIN POWER switch (located on the back of the console) is turned ON. Press the **RESET** button. When the power indicator lights up, press the **OPEN** button and the disc tray will open. Place the DreamWorks Animation *Madagascar*™ disc on the disc tray with the label side facing up. Press the **OPEN** button again and the disc tray will close. Attach game controllers and other peripherals, as appropriate. Follow on-screen instructions and refer to this manual for information on playing the game.

Memory Card (8MB)(for PlayStation®2)

To save game settings and progress, insert a memory card (8MB)(for PlayStation®2) into MEMORY CARD slot 1 of your PlayStation®2 system. You can load saved game data from the same memory card or any memory card (8MB)(for PlayStation®2) containing previously saved games. A saved game's data takes up 65KB.

Starting Up

To select menu options, use the **↑** and **↓** directional buttons to navigate. Highlight the desired option and press the **×** button to accept. To select a menu option, follow the on-screen button prompts and press the **×** button to accept and the **△** button to go back. *Madagascar* supports the DUALSHOCK®2 analog controller. When Analog Mode is on, the left analog stick works the same as the directional buttons.

Welcome to Madagascar

Marty the zebra is celebrating his tenth birthday, but life in the zoo isn't all it's cracked up to be. Tired of performing in the same show every day, Marty craves the excitement and freedom of living in the wild. When some crafty Penguins help Marty escape from the zoo, his best friends, Alex the lion, Melman the giraffe and Gloria the hippo set off to find him in what turns out to be a bigger adventure than any of them expected.

Get ready for an unforgettable journey across the ocean, from the streets of New York City to the island of Madagascar. To survive in the wild, the four friends will have to discover their true animal natures and master their instincts. Fortunately, the locals—a band of partying Lemurs—are ready and willing to help (when they're not too busy hosting a rave). However, the Lemurs may be the ones who need assistance when Madagascar's most dangerous creatures, the Foosa, strike.

Collectibles

Health

Life Tikis – Life tikis give you a health boost and count toward extra lives. Every time you collect a life tiki, you fill up one of the four slots on your health meter. Collect ten life tikis to gain an extra life.

Health Meter – The number above the health meter indicates how many lives you have. The triangles indicate how much health you have left.

Monkey Money

Monkey Money can be traded with the monkeys at the Zoovenir Shop. Gold monkey coins are worth five credits, and silver monkey coins are worth one credit. You can access the Zoovenir Shop from either the map or the Pause menu. The Monkey Money counter on the right side of your screen shows the number of coins you've collected.

Special Items

Chili Pepper – Gloria loves eating spicy chili peppers. After munching on peppers, she can run faster, take down enemies and bust through boulders and other obstacles.

Super Roar Plant – This special plant gives Alex's roar a temporary surge of power. Eat one of these to stun all enemies within range.

Hint: The super roar doesn't last long, so use it fast!

Coconut – Melman can use his long neck to fling coconuts (and other objects) through the air.

Mango – Be sure to pick up any mangoes you see on the ground. Alex can throw mangoes to stun enemies.

Keys – Some areas can only be unlocked once you've found the correct key.

Mini-Games

Unlock special bonus mini-games by purchasing them from the Zoovenir Shop. Once you've purchased a new bonus mini-game, you can access it at any time from the map. Each mini-game costs 35 Monkey Money coins.

Tiki Mini-Golf

Welcome to the Lemurs' mini-golf course! Up to six players can play (taking turns with the same controller). Each player can select their favorite character to play. The player with the lowest score wins!

To change the direction of your swing, move the **green arrow** with the **left analog stick** to point in the direction you want. Tap the **○** button once to start your swing. The strength of your swing is indicated in the bar on the left-hand side of the screen. To hit the ball, tap the **○** button again.

Mini-Golf Controls

Change direction of swing	left analog stick
Change camera view	right analog stick
Start swing	○ button (tap)
Release swing	○ button (tap again)
Rotate camera behind ball	L1 button

Shuffleboard

Challenge a friend to a game of shuffleboard. Two players can play using the same controller. Once you start, you have the following options: Pick Board (additional boards can be purchased in the Zoovenir Shop), Pick Game (play to 9 or 15 points) and Pick Player (select the character you wish to play).

Shuffleboard Controls

Slide left and right	left analog stick
Turn left and right	right analog stick
Slide	○ button (press to power up and press again to slide)
View scoring pucks	■ button

Scoring

- Only one color scores per round. A round is four pucks for each color.
- All pucks of one color past the deepest puck of the opposing color count for scoring purposes.
- The puck must be completely over the dividing line to score the higher point value.
- Pucks that land in the foul zone or slide off the board do not score.
- The game is won when one side reaches 9 or 15 points, depending on the game you selected.

Lemur Rave

Take part in a Lemur dance party. Each symbol corresponds to a button on your controller. Motivate the Lemurs into a dancing frenzy by hitting the symbols when they reach their destination. There are three ways to play Lemur Rave:

Play One-Player – Beat the high score.

Play Two-Player – A second controller is required.

Practice a Track – Scoring is turned off for practice.

After you select a play mode, choose a song, difficulty level and style (Normal, Pro Mode or Random).

Every time you press a button, your accuracy is judged. At the end of the song, all your hits (perfect, great, good) and misses (oops, ouch) are totaled to tally your final score.

Characters

Four Friends

Alex the lion loves his life in the zoo and doesn't understand why anyone would want to leave. He lives a pampered life as the King of New York and enjoys eating juicy porterhouse steaks.

Marty the zebra believes there has to be more to life than the zoo. He dreams of one day escaping into the wild.

Melman the giraffe is a lovable hypochondriac. He's terrified of almost everything, but is very loyal to his friends.

Gloria the hippopotamus doesn't take nonsense from anyone. Smart and independent, Gloria is a take-charge female who keeps the bunch together.

The Penguins

Skipper, Kowalski, Private and Rico

These Penguins have been trying to escape the zoo for years in their quest to get to Antarctica. They are organized, disciplined and, according to Alex, a little crazy.

The Locals

Julian is a real party animal. He's king of the Lemurs, although everyone knows it's really Maurice who keeps the group on track.

Maurice is the king's sidekick and the voice of authority in the Lemur world. He makes sure everyone is doing their jobs—especially Julian.

Mort is the smallest and cutest of the Lemurs. He loves making new friends—when he's not too busy annoying the ones he already has.

Foosa are dangerous, cat-like predators native to the island of Madagascar. Beware of the Foosa!

Chapters

King of New York – Meet Alex, Marty, Melman and Gloria as you learn what it's like to be an animal in the zoo. Be sure to collect plenty of Monkey Money so you can buy items at the Zoovenir Shop.

Hint: Pop the balloons for an added bonus.

Marty's Escape – Marty gets his wish to leave the zoo granted with a little help from some scheming Penguins. You'll have to be extra careful around the security guards to avoid getting caught. Collect keys to access other areas of the zoo on your search for freedom.

Hint: Ask for help from other animals.

New York Street Chase – Marty has escaped, and his friends decide to hold an intervention. Chase him down before Marty gets on a train and heads to the wilds of Connecticut! Watch out for crazy traffic.

Hint: Don't forget to look for Power Cards.

Penguin Mutiny – The entire zoo has been packed up and shipped off to a wild animal preserve. Help the Penguins take over the ship and re-route it to Antarctica. As Private Penguin, it's your duty to scout ahead and make sure the coast is clear. When you've reached a safe spot, use the trumpet to call up the troops.

Hint: Penguins are small enough to fit through pipes.

Mysterious Jungle – Alex washes up on the island of Madagascar after his crate is knocked overboard. He sets out to find the reception desk and hopefully, his friends. Explore the island and see if the locals can help you out. You might need to give them something in return.

Hint: Use your roar to scare open the clams.

Save the Lemurs – Reunited at last, the four friends crash a Lemur party and learn about the Foosa—the most dangerous creatures on the island of Madagascar. Rescue the Lemurs and help them find a new location for their party.

Hint: Use Marty's sneak ability to hide behind rocks.

Jungle Banquet – The Lemurs are throwing a banquet, and they'll need plenty of fruits and vegetables to serve. Scavenge for food by helping out the jungle residents. You'll need to select the best character to do the job.

Hint: Talk to Julian for tips on where to go.

Coming of Age – Alex misses eating juicy steaks. Melman goes on a search for a steak tree, but first, he has to get rid of some disgusting worms that are eating up the Lemurs' home.

Hint: Keep your eye out for coconuts to throw.

Back to the Beach – Alex's hunger has driven him mad, and he's actually bitten Marty on the bottom. Gloria, Melman and Marty try to get off the island by making a rescue beacon. You'll have to find the right character to perform each task.

Hint: The friends have to work together to succeed.

Marty to the Rescue – Marty just can't leave the island without his best friends. Mort leads Marty to the other side of the island through the most treacherous parts of the jungle.

Hint: Watch for speed boosts in the water to propel you faster.

Final Battle – Alex has wandered into the predator side of the island where Madagascar's fiercest creatures live. You'll have to use all your animal instincts and abilities to take down this scary pack.

Hint: Don't forget to look for super roar plants.

Map/Locations

Each time you complete a chapter, a new area of the map gets unlocked for you to explore. Use the left analog stick or the directional buttons to move over the map. You can replay chapters at any time by returning to them in the map.

From New York City...

The Zoo – Home, sweet home for our four friends. Don't forget to check out Alex's show—he's the pride of the zoo.

Streets of Manhattan – New York City is full of life—and traffic! The people of New York aren't prepared to see zoo animals running down the street.

...to the Wilds of Madagascar

Cargo Ship – This giant cargo ship is transporting the zoo animals to Kenya. The ship also carries a lot of sailors who aren't prepared to deal with those pesky Penguins.

Beach – When the animals crash-land on the beach, they think they've arrived at a new zoo. They don't realize they're actually on the island of Madagascar.

Baobab Tree – The giant Baobab Tree is a meeting place for the Lemurs. It's where they hold their crazy dance parties.

Predator Side of the Island – This wasteland is the natural habitat for the Foosa. Alex ends up here after he discovers his predatory nature.

LIMITATION ON DAMAGES. IN NO EVENT WILL ACTIVISION BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM POSSESSION, USE OR MALFUNCTION OF THE PROGRAM, INCLUDING DAMAGES TO PROPERTY, LOSS OF GOODWILL, COMPUTER FAILURE OR MALFUNCTION AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES FOR PERSONAL INJURIES, EVEN IF ACTIVISION HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. ACTIVISION'S LIABILITY SHALL NOT EXCEED THE ACTUAL PRICE PAID FOR THE LICENSE TO USE THIS PROGRAM. SOME STATES/COUNTRIES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS AND/OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS AND/OR EXCLUSION OR LIMITATION OF LIABILITY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION.

TERMINATION. Without prejudice to any other rights of Activision, this Agreement will terminate automatically if you fail to comply with its terms and conditions. In such event, you must destroy all copies of this Program and all of its component parts.

U.S. GOVERNMENT RESTRICTED RIGHTS. The Program and documentation have been developed entirely at private expense and are provided as "Commercial Computer Software" or "restricted computer software." Use, duplication or disclosure by the U.S. Government or a U.S. Government subcontractor is subject to the restrictions set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clauses in DFARS 252.227-7013 or as set forth in subparagraph (c)(1) and (2) of the Commercial Computer Software Restricted Rights clauses at FAR 52.227-19, as applicable. The Contractor/Manufacturer is Activision, Inc., 3100 Ocean Park Boulevard, Santa Monica, California 90405.

INJUNCTION. Because Activision would be irreparably damaged if the terms of this Agreement were not specifically enforced, you agree that Activision shall be entitled, without bond, other security or proof of damages, to appropriate equitable remedies with respect to breaches of this Agreement, in addition to such other remedies as Activision may otherwise have under applicable laws.

INDEMNITY. You agree to indemnify, defend and hold Activision, its partners, affiliates, contractors, officers, directors, employees and agents harmless from all damages, losses and expenses arising directly or indirectly from your acts and omissions to act in using the Product pursuant to the terms of this Agreement.

MISCELLANEOUS. This Agreement represents the complete agreement concerning this license between the parties and supersedes all prior agreements and representations between them. It may be amended only by a writing executed by both parties. If any provision of this Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable and the remaining provisions of this Agreement shall not be affected. This Agreement shall be construed under California law as such law is applied to agreements between California residents entered into and to be performed within California, except as governed by federal law and you consent to the exclusive jurisdiction of the state and federal courts in Los Angeles, California. If you have any questions concerning this license, you may contact Activision at 3100 Ocean Park Boulevard, Santa Monica, California 90405, (310) 255-2000. Attn.
