

A BMX rider in a white jersey with 'STATE' and 'USA' on it, black pants, and a helmet is captured mid-air, performing a high jump over a concrete ramp. The rider's arms are outstretched, and the bicycle is inverted. The background is a clear blue sky. In the lower right, a fenced area with 'HOFFMAN HOFFMAN' banners is visible.

SCORING TIPS

When you repeat a trick during a run, that trick's point value will decrease. To get a top score, you'll have to think about your "line" and mix up your tricks.

- Trick into and out of every grind and manual.
- Use adrenaline tricks to your advantage.
- Big spins (540 & 720) will net bigger scores. Use the R1/L1 buttons to spin faster.
- Every **unique** trick in a combo adds to your Multiplier.
- Use manuals and peg manuals to keep your combo going across flatland sections.
- Trick across gaps (green text) to maximize combos.
- You can manual into and out of vert tricks, so use them to really build your score.
- Don't forget to use flatland tricks!
- Use your triple tap manuals.

Tip – Score points to fill up your adrenaline meter. When it's glowing green, your adrenaline's pumping and you'll be able to perform adrenaline tricks.

MAIN MENU

Choose from the following options to modify your game or begin play. Pressing ← and → on the directional buttons will switch between the different interface areas. The ↑ and ↓ directional buttons will scroll between the options. Press the X button to select the option of your choice. Button prompts are provided for your convenience.

SESSIONS

ROAD TRIP

Choose your rider and then proceed to take a road trip with eleven of the greatest BMX riders ever. It starts in Oklahoma City at the Hoffman Warehouse. Beat the amateur challenges to build up your Road Trip Points and then choose where to take the gang next. A complete playthrough will take you to eight unique locations where your riding skills will be put to the test!

SESSION

Choose a single level and ride all-out in a two, five or ten minute session in an attempt to set high scores and break new records. The levels that are available depend on how far you have traveled on your Road Trip.

FREE RIDE

If you're looking for unlimited time to explore the level and see what kind of lines you can find, this is the option for you. Just pick any level you have unlocked on your Road Trip, and proceed.

MULTIPLAYER MODES

GRAFFITI WAR

Tag your opponent's screen by tricking through spray cans. Clear the paint off your own screen by pulling better tricks through cans that your opponent owns. Whoever fills up their opponent's screen with paint first, wins.

TRICK ATTACK

A one shot free-for-all to see who can create the best lines and rack up the most points. Make sure to make good use of flatland tricks to maximize your score.

TAG

Tag is all about greed. Grab the spinning ring and start landing tricks. You only get points when you have the ring, so try to hold on to it. Just remember not to bail, or let your or opponent tag you or you will lose it. Make sure you tweak your tricks while you are "it" to add to your Multiplier and get higher scores. The person who is **not** "it" can slow the other rider down by landing tricks.

HORSE

(Up to 8 players can play in this mode)

How do you spell defeat? "H.O.R.S.E" (or the word of your choice, we suggest F.L.A.T.L.A.N.D). Bust a trick, then watch as your opponent tries to beat it. Your opponent must match or beat your score. If not, he or she gets a letter. First one to get all the letters tastes defeat, and the ridicule of everybody else in the room.

PUSH

PUSH mode is an all out battle with your opponent. The better you do, the smaller the screen gets on your opponent's side until they are eventually pushed off the screen. Flatland tricks do a good job of doing away with your opponent.

FREE RIDE

Choose any level you have unlocked during your Road Trip and ride it with a friend. Find new lines and combos to use against your friends when playing the other Multiplayer modes. This is a good mode to practice flatland tricks).

TREASURE HUNT

A fast paced race against time, and your opponent, to collect the most treasure. The only score you get in this mode is when you grab booty. So be quick about it.

HALFPIPE HELL

(Up to 8 players can play in this mode)

Battle your way to the top of the mountain of vert ramps with the highest score to win. If you fall into the fire, you'll have to start from the bottom.

ROAD TRIP LOCATIONS

OKLAHOMA CITY

Ride through Mat's warehouse and training facility. Perform tricks on all the rails, spines, and bowls just like the Condor does when testing new Hoffman Bike models. Work on your flatland tricks and have a Day at the park.

CHICAGO

Breeze from rooftop to rooftop in the Windy City at break neck speed or take a ride on the L. Nail flatland tricks in the middle of the street, just watch out for those cars! Be a pal and help out others that weren't so lucky.

LAS VEGAS

The lights, the slots, the quickie weddings; that's Vegas baby! Impersonate the King and ride like you rule the world. Rock-n-Roll the dice and test your luck on the streets of Sin City.

NEW ORLEANS

Jazz your way through the dark and seedy streets of New Orleans, Cajun style or go off road in the heart of the Bayou. This is the home of voodoo and beaded necklaces, so keep your eyes open and have fun the Mardi-Gras way.

BOSTON

Bean Town Baby! Bean Town! Bust phat tricks on the boardwalk around Boston Harbor. Score some booty and have a tea party on the pirate ship, just be careful not to fall in the water and become squid bait.

LOS ANGELES

The City of Angels, well maybe not, but it is the city where money seems to grow on trees and cell phones are everywhere. Ride down Rodeo Drive and go crazy in one of the many bowls. This is definitely a town where you're gonna want to be impressive.

PORTLAND

Answer the call of the wild or just hang around the lodge. Tunnel your way to the outdoor BMX park and catch mad air off the spines. Keep your camera ready and your eyes open; there may be strange things afoot.

HAWAII

Finish your road trip in the tropical islands of Hawaii. Battle your way to the top of the Pro BMX world by scoring tons of points in this torch lit Tiki Park! This ain't no Hula contest. Aloha!

THE PROS

MAT “THE CONDOR” HOFFMAN

Mat does whatever it takes to make his sick visions reality—even if his body pays a toll in the process. The Condor’s injury list could fill a book, but nothing can slow this BMX icon down.

MIKE “ROOFTOP” ESCAMILLA

Rooftop grew up on the pages of every magazine in BMX. At 15 he was the street kid who would slide any rail or jump any gap, and he was the first rider ever to session roof gaps.

CORY “NASTY” NASTAZIO

“Nasty” is the rider who can’t be categorized. Some people only see a hip-hop dirt destroyer, but he can also air the crap out of a ramp or huck himself down huge sets of stairs when he’s in the mood.

KEVIN ROBINSON

If you’re trying to find Kevin Robinson, try looking 12 feet over the deck of the closest vert ramp, because that’s his favorite territory. Kevin is one of the big guns in Pro Vert, and he’s got plenty of contest wins to prove it.

SIMON TABRON

Some riders see vert ramps as another place to do lip tricks, but Simon Tabron sees something different: a launching pad, plain and simple. This English vert warrior can do any deck trick you can name.

SETH KIMBROUGH

Growing up in the middle of nowhere (Hartselle, Alabama) forced Seth to get creative with spots and tricks, and he's taken his backwoods style to the Big Time. Seth flows through any and every riding situation.

NATE WESSEL

Nate Wessel doesn't take the easy way out of any riding situation. At skateparks he constantly finds lines that don't really exist, and on street he stays out all night searching for bizarre obstacles to monster-truck over.

RUBEN "POLLO" ALCANTARA

When Ruben Alcantara first showed up on the American scene he could already do every ramp trick in the book (including double-tailwhip-360s), but that was only the beginning.

JOE "THE BUTCHER" KOWALSKI

Few riders are pushing Street as hard as Joe. Ridiculous crooked grinds, levitators down any ledge, opposite grinds, nollies, switch-footed tricks, tailwhips, crank-flips, opposite 180s...the list goes on and on.

RICK "T-BIRD" THORNE

When Thorne isn't in front of a camera, he's touring constantly showing the world what BMX is about, punk rock style. T-Bird doesn't just look the part; he's the real deal.

DAY SMITH

Day calls Long Beach, CA home and sessions the lots of SoCal on a regular basis. Day is known as one of the original Flatland Fugitives with innovative moves like upside down decades and long backpacker combinations.

software license agreement

USE OF THIS PROGRAM IS SUBJECT TO THE SOFTWARE LICENSE TERMS SET FORTH BELOW. "PROGRAM" INCLUDES THE SOFTWARE INCLUDED WITH THIS AGREEMENT, THE ASSOCIATED MEDIA, ANY PRINTED MATERIALS, AND ANY ON-LINE OR ELECTRONIC DOCUMENTATION, AND ANY AND ALL COPIES AND DERIVATIVE WORKS OF SUCH SOFTWARE AND MATERIALS. BY OPENING THIS PACKAGE, AND/OR USING THE PROGRAM, YOU ACCEPT THE TERMS OF THIS LICENSE WITH ACTIVISION, INC. ("ACTIVISION").

LIMITED USE LICENSE. Activision grants you the non-exclusive, non-transferable, limited right and license to use one copy of this Program solely and exclusively for your personal use. All rights not specifically granted under this Agreement are reserved by Activision. This Program is licensed, not sold. Your license confers no title or ownership in this Program and should not be construed as a sale of any rights in this Program.

OWNERSHIP. All title, ownership rights and intellectual property rights in and to this Program and any and all copies thereof (including but not limited to any titles, computer code, themes, objects, characters, character names, stories, dialog, catch phrases, locations, concepts, artwork, animation, sounds, musical compositions, audio-visual effects, methods of operation, moral rights, and any related documentation, incorporated into this Program) are owned by Activision or its licensors. This Program is protected by the copyright laws of the United States, international copyright treaties and conventions and other laws. This Program contains certain licensed materials and Activision's licensors may protect their rights in the event of any violation of this Agreement.

YOU SHALL NOT:

- Exploit this Program or any of its parts commercially, including but not limited to use at a cyber cafe, computer gaming center or any other location-based site. Activision may offer a separate Site License Agreement to permit you to make this Program available for commercial use; see the contact information below.
- Sell, rent, lease, license, distribute or otherwise transfer this Program, or any copies of this Program, without the express prior written consent of Activision.
- Reverse engineer, derive source code, modify, decompile, disassemble, or create derivative works of this Program, in whole or in part.
- Remove, disable or circumvent any proprietary notices or labels contained on or within the Program.
- Export or re-export this Program or any copy or adaptation in violation of any applicable laws or regulations.

PROGRAM UTILITIES. This Program contains certain design, programming and processing utilities, tools, assets and other resources ("Program Utilities") for use with this Program that allow you to create customized new game levels and other related game materials for personal use in connection with the Program ("New Game Materials"). The use of the Program Utilities is subject to the following additional license restrictions:

- You agree that, as a condition to your using the Program Utilities, you will not use or allow third parties to use the Program Utilities and the New Game Materials created by you for any commercial purposes, including but not limited to selling, renting, leasing, licensing, distributing, or otherwise transferring the ownership of such New Game Materials, whether on a stand alone basis or packaged in combination with the New Game Materials created by others, through any and all distribution channels, including, without limitation, retail sales and on-line electronic distribution. You agree not to solicit, initiate or encourage any proposal or offer from any person or entity to create any New Game Materials for commercial distribution. You agree to promptly inform Activision in writing of any instances of your receipt of any such proposal or offer.
- If you decide to make available the use of the New Game Materials created by you to other gamers, you agree to do so solely without charge.
- New Game Materials shall not contain modifications to any COM, EXE or DLL files or to any other executable Product files.
- New Game Materials may be created only if such New Game Materials can be used exclusively in combination with the retail version of the Program. New Game Materials may not be designed to be used as a stand-alone product.
- New Game Materials must not contain any illegal, obscene or defamatory materials, materials that infringe rights of privacy and publicity of third parties or (without appropriate irrevocable licenses granted specifically for that purpose) any trademarks, copyright-protected works or other properties of third parties.
- All New Game Materials must contain prominent identification at least in any on-line description and with reasonable duration on the opening screen: (a) the name and E-mail address of the New Game Materials' creator(s) and (b) the words "THIS MATERIAL IS NOT MADE OR SUPPORTED BY ACTIVISION."

LIMITED WARRANTY. Activision warrants to the original consumer purchaser of this Program that the recording medium on which the Program is recorded will be free from defects in material and workmanship for 90 days from the date of purchase. If the recording medium is found defective within 90 days of original purchase, Activision agrees to replace, free of charge, any product discovered to be defective within such period upon its receipt of the Product, postage paid, with proof of the date of purchase, as long as the Program is still being manufactured by Activision. In the event that the Program is no longer available, Activision retains the right to substitute a similar program of equal or greater value. This warranty is limited to the recording medium containing the Program as originally provided by Activision and is not applicable to normal wear and tear. This warranty shall not be applicable and shall be void if the defect has arisen through abuse, mistreatment, or neglect. Any implied warranties prescribed by statute are expressly limited to the 90-day period described above.

EXCEPT AS SET FORTH ABOVE, THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT, AND NO OTHER REPRESENTATIONS OR CLAIMS OF ANY KIND SHALL BE BINDING ON OR OBLIGATE ACTIVISION.

When returning the Program for warranty replacement please send the original product disks only in protective packaging and include: (1) a photocopy of your dated sales receipt; (2) your name and return address typed or clearly printed; (3) a brief note describing the defect, the problem(s) you are encountering and the system on which you are running the Program; (4) if you are returning the Program after the 90-day warranty period, but within one year after the date of purchase, please include check or money order for \$20 U.S. currency per CD or DVD replacement. Note: Certified mail recommended.

LIMITATION ON DAMAGES. IN NO EVENT WILL ACTIVISION BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM POSSESSION, USE OR MALFUNCTION OF THE PROGRAM, INCLUDING DAMAGES TO PROPERTY, LOSS OF GOODWILL, COMPUTER FAILURE OR MALFUNCTION AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES FOR PERSONAL INJURIES, EVEN IF ACTIVISION HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. ACTIVISION'S LIABILITY SHALL NOT EXCEED THE ACTUAL PRICE PAID FOR THE LICENSE TO USE THIS PROGRAM. SOME STATES/COUNTRIES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS AND/OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS AND/OR EXCLUSION OR LIMITATION OF LIABILITY MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION.

TERMINATION. Without prejudice to any other rights of Activision, this Agreement will terminate automatically if you fail to comply with its terms and conditions. In such event, you must destroy all copies of this Program and all of its component parts.

U.S. GOVERNMENT RESTRICTED RIGHTS. The Program and documentation have been developed entirely at private expense and are provided as "Commercial Computer Software" or "restricted computer software." Use, duplication or disclosure by the U.S. Government or a U.S. Government subcontractor is subject to the restrictions set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clauses in DFARS 252.227-7013 or as set forth in subparagraph (c)(1) and (2) of the Commercial Computer Software Restricted Rights clauses at FAR 52.227-19, as applicable. The Contractor/Manufacturer is Activision, Inc., 3100 Ocean Park Boulevard, Santa Monica, California 90405.

INJUNCTION. Because Activision would be irreparably damaged if the terms of this Agreement were not specifically enforced, you agree that Activision shall be entitled, without bond, other security or proof of damages, to appropriate equitable remedies with respect to breaches of this Agreement, in addition to such other remedies as Activision may otherwise have under applicable laws.

INDEMNITY. You agree to indemnify, defend and hold Activision, its partners, affiliates, contractors, officers, directors, employees and agents harmless from all damages, losses and expenses arising directly or indirectly from your acts and omissions to act in using the Product pursuant to the terms of this Agreement.

MISCELLANEOUS. This Agreement represents the complete agreement concerning this license between the parties and supersedes all prior agreements and representations between them. It may be amended only by a writing executed by both parties. If any provision of this Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable and the remaining provisions of this Agreement shall not be affected. This Agreement shall be construed under California law as such law is applied to agreements between California residents entered into and to be performed within California, except as governed by federal law and you consent to the exclusive jurisdiction of the state and federal courts in Los Angeles, California.

If you have any questions concerning this license, you may contact Activision at 3100 Ocean Park Boulevard, Santa Monica, California 90405, (310) 255-2000, Attn. Business and Legal Affairs, legal@activision.com.
