WARNING:

READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game—dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions—IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or MEMORY CARD slots.

HANDLING YOUR PLAYSTATION 2 DISC:

- ➡ This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- ➡ Do not bend it, crush it, or submerge it in liquids.
- ➡ Do not leave it in direct sunlight or near a radiator or other source of heat.
- ➡ Be sure to take an occasional rest break during extended play.
- ➡ Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

This product has been rated by the Entertainment Software Rating Board. For information about the ESRB rating, or to comment about the appropriateness of the rating, please contact the ESRB at 1-800-771-3772.

SETTING UP THE GAME

Navigate the Main menu and hit the field for an Exhibition game.

MAIN MENU

From the Main menu, you can choose the type of game you want to play, create and edit user profiles, adjust your options and settings, or view credits and EA SPORTS previews.

Choose an Exhibition, Season, or Dynasty game or get in some Practice (► *Starting an Exhibition Game* on p. 12 or *Other Game Modes* on p. 17).

Adjust settings, rosters, user profiles, and more (► *Game Options* on p. 22).

Take the Campus Challenge and earn campus cards (► *Campus Challenge* on p. 16).

Check out the credits and what's coming up from EA SPORTS.

STARTING AN EXHIBITION GAME

Play against your school's toughest rival, a powerhouse from another conference or any of the 144 Division 1A and Division 1AA schools represented in *NCAA Football 2002*.

TO START AN EXHIBITION GAME:

1. From the Main menu, press the D-Button \leftrightarrow to highlight EXHIBITION and press the \times button. The Team Select screen appears.
2. To select a team, press the D-Button \leftrightarrow to cycle through teams until your desired team is shown. Press the \times button to select that team. The Controller Select screen appears.
 - ⇒ To jump through teams alphabetically, press the **R1** or **L1** button.
 - ⇒ To toggle between Home and Away teams, press the D-Button \updownarrow .
 - ⇒ To select your team's rival, press the **SELECT** button when choosing teams.
 - ⇒ To select a random Home team, press the **R2** button.
 - ⇒ To select a random Away team, press the **L2** button.
3. To choose a team to control, press the D-Button \leftrightarrow until the controller icon is positioned under your team.

ON THE FIELD

Every down counts when you're up against the big guns in the conference. Read on to begin your run for the roses.

COIN TOSS

The winner of the toss may choose to kick, receive, or defend a goal; the loser picks from the remaining choices.

- ⇒ Before the coin toss, the commentary booth introduces the two teams. To bypass this screen, press the \times button.

PLAYCALLING SCREEN

You won't win any games if you keep calling the same two or three plays over and over again. Get an advantage over your competition by familiarizing yourself with your entire playbook.

TO SELECT AN OFFENSIVE OR DEFENSIVE PLAY:

1. Use the D-Button or left analog stick to select a formation and set, then press the **X** button.
 - ⇒ To ask for coaching assistance on your next offensive play, press the **■** button.
 - ⇒ To see your players' fatigue levels, hold the **R1** button at the formation screen. Green is full energy, yellow is low energy.
2. To select the desired play, press the **■** button, **X** button, or **●** button.
 - ⇒ To go back to the previous window, press the **▲** button.
 - ◇ Running plays are identified by green borders, and passing plays are identified by blue borders.
 - ⇒ To flip plays, press the **R2** button.
 - ⇒ To call a play from the header below the selection window, press the **L2** button + the **■** button, **X** button, or **●** button. To call a play from the header above, press the **L1** button + the **■** button, **X** button, or **●** button.
 - ◇ Once the play is called, the offense goes to the line of scrimmage and the game continues.

NOTE: After each play, the offense has 25 seconds to select a play before a delay of game penalty is called. The defense has five seconds to choose a play after the offense is ready to break the huddle.

EA SPORTS TIP: To skip the huddle, immediately hold the **▲** button at the end of a play (after the whistle blows). The offense hurries to the line of scrimmage and repeats the previous play. To run a Stop Clock play, hold the **●** button and your quarterback spikes the ball. To run a fake spike, hold the **■** button.

TO SELECT A SPECIAL TEAMS PLAY:

1. Press the D-Button to highlight SPECIAL TEAMS and press the **X** button.
 2. Select the desired play, then press the **■** button, **X** button, or **●** button.
- ◇ To learn how to kickoff, kick PAT's, and punt, ► *Kicking Game* on p. 10.

TO START A NEW SEASON:

1. From the Main menu, select SEASON. A pop-up box asks if you would like to create a NEW season or LOAD a saved season. Choose NEW and press the **X** button. The Season Setup screen appears.

2. Scroll through the list of teams and press the **X** button to select the team you want to control.

⇒ To enter a user profile, choose USER PROFILES from the Options pop-up menu.

⇒ To start the season, choose PLAY WEEK from the Season menu. The Play Week screen appears.

PLAY WEEK SCREEN

The Play Week screen shows the schedule of all games to be played during the season by all teams. You can scroll through and view the schedule and the scores of the games that have already been played. Or access the Team Schedule to see only your team's games.

TO PLAY OR SIMULATE A GAME IN THE SEASON:

1. From the Play Week screen, choose either WEEKLY SCHEDULE or TEAM SCHEDULE.

2. Scroll through the games on the schedule. When the game you want to play is highlighted, press the **X** button. A pop-up window appears.

3. You can choose to **PLAY A GAME**, **SIMULATE A WEEK**, or **SIMULATE A SEASON** from this window. Highlight the option you want and press the **X** button. The Controller Select screen appears. Continue as you would in an Exhibition game (► *Starting an Exhibition Game* on p. 12).

BOWL GAMES

Once the season ends, it's time to see which teams made the bowls. If your team didn't make a bowl, you can play as one of the other teams.

◇ Bowl Games are listed by week following the weekly schedules and any off-season games that come before them.

- To convert your Season to a Dynasty, choose YES when the prompt asks you if you want to convert after the bowl games have been played.
- To return to the Main menu, choose NO when the prompt asks you if you want to convert your Season to a Dynasty and then press the ▲ button twice.

DYNASTY

Coach your team from one season to the next and see if you can establish a dynasty. Beware, if you can't handle the heat, you'll be looking for a coaching job at another school in the off season.

TO START A NEW DYNASTY:

1. From the Main menu, choose DYNASTY. The Dynasty pop-up menu appears. Select **NEW**. The Dynasty Setup screen appears.
 - To move between Number of Users, and Coaching Contracts, press the D-Button ↓.
 - To change the number of users or to toggle coaching **ON/OFF**, press the D-Button ↔.
2. When you've set the number of users and selected your coach option, press the ✕ button to move the cursor to Team Selection.
3. To select a team, press the D-Button ↔ and then press the ✕ button when your chosen team appears. The Dynasty Year screen appears.
4. To play a game, select PLAY WEEK. Follow the instructions for starting a Season game (➤ *Season* on p. 17).

DYNASTY MAIN MENU

The Dynasty Main menu is similar to the Season Main menu (➤ *Season Main menu* on p. 17), with the exception of Coach Options which are explained below.

COACH OPTIONS

PROFILES

Change playbook, coaching strategies, toggle Auto Recruiting between **USER** and CPU, or edit/create/delete a coach.

POSITIONS

Check out the Prestige and Team of each coach's program or resign from your current coaching position and find a new job.

RATINGS

THE OFF-SEASON

Use the off season to replace your graduating seniors with hot new recruits and strengthen the weak spots in your roster.

OFF-SEASON MAIN MENU

Most of the Off-Season menu is self-explanatory, except Off-Season schedule and Coach Options explained below.

OFF-SEASON SCHEDULE Check out who's leaving, export your draft class to *Madden NFL™ 2002* for the PlayStation 2 console, recruit new blood, view training results, cut players, redshirt players, set your depth chart, or start a new Season.

To export your draft class:

1. From the Players Leaving screen, press the ● button. A pop-up asks you to confirm that you want to export your draft class. Choose YES. The Memory Card (PS2) screen appears.
 2. Press the ✕ button to select SAVE.
 3. Press the D-Button ↓ to highlight DRAFT CLASS and press the ✕ button to save. The text editor pop-up appears.
 4. Enter a name for the file and then press OK.
- ➡ To import your draft class to *Madden NFL 2002*, please consult your *Madden NFL 2002* game manual.

COACH PROFILES

Select your playbook, set your coaching strategies for offense and defense and toggle auto recruiting USER/CPU.

RECRUITING

You have recruiting points based on your previous year's performance which you can assign to prospects. The higher the caliber of the recruit, the more points you will need to sign him. The following table illustrates the breakdown of points for each activity.

Visit by Head Coach	8 points
Visit by Assistant Coach	4 points
Call from Head Coach	2 points
Call from Assistant Coach	1 point

TO RECRUIT:

- 1.** From the Off-Season menu, choose RECRUITING. The Recruiting Central screen appears.
- 2.** Pick a state from which you want to recruit by pressing the D-Button \leftrightarrow or \updownarrow , then press the \times button. The Recruiting Reports screen appears.
- 3.** To browse the recruits from your selected state, press the \times button when the first selection is highlighted.
 - \Rightarrow To choose a recruit from another group (National Top 100, All Prospects, Interested Prospects, or Returning Players), highlight that selection and press the \times button.
- 4.** To visit or call a prospect, highlight his name and press the \times button. A pop-up window appears with four recruiting choices.
- 5.** To choose an action, highlight it and press the \times button.
 - \diamond You may choose up to all four actions for any one recruit, but watch how you spend your recruiting points or you'll have one or two star players and a lot of walk-ons filling your roster.
 - \diamond You must retain a minimum number of players in each position to field a competitive team.
 - \diamond You can simulate a week or the remainder of the recruiting season by pressing the **START** button at any time. A prompt asks you if you want to **ADVANCE TO NEXT WEEK** or **SIMULATE ALL WEEKS**.

PRACTICE

Learn new plays and polish up the old standbys so that you can perform when the pressure is on.

TO START A PRACTICE GAME:

- 1.** From the Main menu, choose PRACTICE. The Practice Setup menu appears.
- 2.** Press the D-Button to choose the defensive team.
 - \Rightarrow To cycle through teams alphabetically, press the **R1** button or the **L1** button.
- 3.** Press the D-Button \updownarrow to highlight the MODE toggle and then press the D-Button \leftrightarrow to cycle between OFFENSE ONLY/**NORMAL**/KICKOFF.
 - \diamond When practicing Offense Only, the defensive team is disabled.
 - \Rightarrow To toggle between offense and defense, press the D-Button \updownarrow .

- Press the **X** button to advance to the Controller Select screen and navigate it as you would in an Exhibition game (► *Starting an Exhibition Game* on p. 12).

ON THE PRACTICE FIELD:

- ◇ Call a play in practice just as you would in a game (► *Playcalling Screen* on p. 12).
- ➡ To select a new play, press the **SELECT** button.
- ➡ To reposition the ball, press the **L2** button and then press the D-Button **↔** or **↕** to move the yellow cursor.

 - To change user profiles, press the **L1** button or the **R1** button.
 - To flip any audible, press the **R2** button.

SAVING AND LOADING

Save or load files from your memory card.

NOTE: Never insert or remove a memory card when loading or saving files.

TO LOAD A FILE:

1. From the Options menu, select memory card to get to the Load/Save/Delete screen.
2. Highlight LOAD and press the **X** button.
 - ◇ Press the **R1** button or the **L1** button to change file types.
 - ◇ Press the **R2** button or the **L2** button to switch between MEMORY CARD slots.
3. Highlight the file you wish to LOAD and press the **X** button.

NOTE: When *NCAA Football 2002* launches, it automatically loads the settings associated with the most recent save from the available memory card. If there are multiple memory cards available, the game checks the MEMORY CARD slots and loads the settings based on the following order:

ROSTERS AND SETTINGS: *NCAA Football 2002* searches in sequential order and loads the first saved Settings/Roster files that it encounters.

USER PROFILES: When searching for User Profiles, *NCAA Football 2002* searches MEMORY CARD slot 1-A first and proceeds to search in sequential order through MEMORY CARD slot 2-D. Up to four User Profiles can be loaded but only two User Profiles can be played in a single game, one per team. *NCAA Football 2002* loads the first four unique User Profiles from the memory card. A unique User Profile is a profile that is considered to be a first generation User Profile or an original file, not a copy.

TO SAVE A FILE:

1. From the Options menu, select memory card to get to the Load/Save/Delete screen.
2. Highlight SAVE and press the **X** button.
 - ◇ Press the **R1** button or the **L1** button to change file types.
 - ◇ Press the D-Button **↔** to switch between MEMORY CARD slots.
3. Highlight the file you wish to SAVE and press the **X** button.
4. Enter the name of the file using the keyboard pop-up to complete the save.

NOTE: If you have already saved the file, you will be prompted to overwrite the existing file instead of saving a new file.

TO DELETE A FILE:

1. From the Options menu, select memory card to get to the Load/Save/Delete screen.
 - ◇ Press the **R1** button or the **L1** button to change file types.
 - ◇ Press the **R2** button or the **L2** button to switch between MEMORY CARD slots.
2. Press the **●** button to rename a file on your memory card.
3. Highlight the file you wish to DELETE and press the **X** button.

NOTE: After saving Settings, User Profile, or Roster files to the memory card, the files will appear with the status of "saved". These files are kept in system memory with the "saved" status until the user makes changes to these files. If the files are deleted from the memory card, they will still register with a "saved" status due to the fact that the files remain in system memory until the PlayStation 2 console is reset.

WARRANTY

ELECTRONIC ARTS LIMITED WARRANTY

Electronic Arts warrants to the original purchaser that this product is free from defects in materials and workmanship for a period of 90-days from the date of purchase. Electronic Arts is not liable for any losses or damages of any kind resulting from the use of this product.
