## **WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.**

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – **IMMEDIATELY** discontinue use and consult your physician before resuming play.

## **WARNING TO OWNERS OF PROJECTION TELEVISIONS:**

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

## **USE OF UNAUTHORIZED PRODUCT:**

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

## **HANDLING YOUR PLAYSTATION 2 FORMAT DISC:**

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

## GAMEPLAY TIPS

**Scarface: The World is Yours** has been calibrated to display on all types of televisions. If you own an LCD TV, Scarface will look the best when you use component AV cable (for PlayStation®2) (sold separately) to connect your console to your TV. Also, don't forget to follow the instructions in your console instruction manual to switch your console's video out mode to Component Video Out. Finally, different TV manufacturers optimize their video image in different ways, so look through your TV's instruction manual to find out how to customize your screen image and calibrate it to best display the game on your screen.

**Drug Wars:** This is the term that loosely describes the open-world cocaine economy you will exploit to make it to the top again. Keep your eyes on the prize; make deals and do business missions often!

**Turfs:** You need to complete 100% of a turf to unlock the next one. You can only do Front Missions in unlocked turfs, but you are free to roam around and do Business Missions in locked turfs.

**Fronts:** While all front owners are interested in selling their business to you, they all seem to have one gang or another on their backs. Be prepared for a variety of missions that help keep these fronts from going under. There are often gun vendors near fronts if you want to pack heat in a hurry.

**Storehouses:** Though teeming with thugs, these big warehouses will be ripe for the taking as you take over the land surrounding them. Don't forget to stock up on big guns and massive ammo before you bust through that gate!

**Shooting:** You can choose whether to lock onto your targets or aim manually—you will get more points for manually aimed skill-shots, but locking on is much easier to pull off. A combination of the two aiming styles will yield the best results: manually aim at swarms of enemies with automatic weapons, then lock onto stragglers for the efficient kill.

**Blind Rage:** No one can flip the fuck out like Tony can. As if greatly enhanced accuracy and increased movement speed aren't enough, you also become temporarily invincible AND gain health back for every kill you make. Well-timed use of blind rage can get you through many a tough spot.

**Intimidation:** Become a master of the Intimidation Meter. Confidence in getting good scores is key. Successful intimidations can gain you balls, get you the best deals on drugs, minimize the laundering rate at the bank, and help you talk the cops out of confiscating your dirty cash and cocaine!

**Taunting:** There is only one thing better than spitting Tony's one-liners at everyone you see: getting balls points for taunting a fool after you shot his ass! There is no better way to enable Blind Rage than a string of taunt-combos.

**Use your Exotics:** Nothing beats a fast car delivered anywhere, any time. So buy a couple fast cars early on—they will be worth their weight in gold. It is also recommended to buy the Limo and Float Plane as soon as you can—they offer instant travel between owned fronts and docks, respectively. As the coffers begin to fill, start blowing some cash to renovate and decorate your mansion. Every item you buy can be placed in your mansion AND gives you reputation points for the purchase!

**Femme Fatales:** There are 5 women in the game that will diss Tony hardcore when he first approaches them. Remember to go back to them later in the game when your reputation has grown. Who knows, maybe they will want to have some ice cream at your place...

**Gang Nests:** Each Turf in Miami has a number of Gang Nests. Tony gets reputation points and turf percentage points for clearing out all the gang members in a nest. However, many of these nests are very difficult to clear out—and Tony can easily gain control of each turf by other means—so don't bother spending too much time on difficult Gang Nests.

**Execution moves:** If Tony locks on to an enemy with the L1 button and fires at very close range, he will perform an execution move. There are different moves for each weapon type. Try it out!

All use of the Program is governed by the terms of the End User License Agreement which is provided below ("License"). The Program is solely for use by end users according to the terms of the License Agreement. Any use, reproduction or redistribution of the Program not in accordance with the terms of the License Agreement is expressly prohibited.

## END USER LICENSE AGREEMENT

- Limited Use License.** VU Games, Inc. ("VUG") hereby grants, and by utilizing the Program you thereby accept, a limited, nonexclusive license and right to use one (1) copy of the Program for your use on a PlayStation®2 computer entertainment system.
- Ownership.** All title, ownership rights and intellectual property rights in and to the Program and any and all copies thereof (including but not limited to any titles, computer code, themes, objects, characters, character names, stories, text, dialog, catch phrases, locations, concepts, artwork, animations, sounds, musical compositions, audiovisual effects, methods of operation, moral rights, any related documentation, and "applets" incorporated into the Program) are owned by VUG or its licensors. The Program is protected by the copyright laws of the United States, international copyright treaties and conventions and other laws. All rights are reserved. The Program may contain certain licensed materials, and VUG's licensors may act to protect their rights in the event of any violation of this Agreement.
- Responsibilities of End User.**
  - Subject to the Limited Use License as set forth above, you may not, in whole or in part, copy, photocopy, reproduce, translate, reverse engineer, derive source code from, modify, disassemble, decompile, or create derivative works based on the Program, or remove any proprietary notices or labels on the Program without the prior consent, in writing, of VUG.
  - You are entitled to use the Program for your own use, but you are not entitled to: sell, grant a security interest in or transfer reproductions of the Program to other parties in any way, nor to rent, lease or license the Program to others without the prior written consent of VUG; or exploit the Program or any of its parts for any commercial purpose.
- Program Transfer.** You may permanently transfer all of your rights under this License, provided the recipient agrees to the terms of this License.
- Termination.** This License is effective until terminated. You may terminate the License at any time by destroying the Program. VUG may, at its discretion, terminate this License in the event that you fail to comply with the terms and conditions contained herein. In such event, you must immediately destroy the Program.
- Limited Warranty.** VUG EXPRESSLY DISCLAIMS ANY WARRANTY FOR THE PROGRAM AND MANUAL(S). THE PROGRAM AND MANUAL(S) ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NONINFRINGEMENT. ANY WARRANTY AGAINST INFRINGEMENT THAT MAY BE PROVIDED IN SECTION 2-312(3) OF THE UNIFORM COMMERCIAL CODE AND/OR IN ANY OTHER COMPARABLE STATE STATUTE IS EXPRESSLY DISCLAIMED. The entire risk arising out of use or performance of the Program remains with You, however VUG warrants the disc(s), on which the Program is furnished, to be free from defects in materials and workmanship, under normal use, for a period of ninety (90) days from the date of delivery. VUG's sole liability in the event of a defective disc shall be to give You a replacement disc. Some states do not allow the exclusion or limitation of incidental or consequential damages, or allow limitations on how long an implied warranty lasts, so the above limitations may not apply.
- Limitation of Liability.** NEITHER VUG, ITS PARENT, SUBSIDIARIES, AFFILIATES NOR LICENSORS SHALL BE LIABLE IN ANY WAY FOR LOSS OR DAMAGE OF ANY KIND RESULTING FROM THE USE OF THE PROGRAM INCLUDING, BUT NOT LIMITED TO, LOSS OF GOODWILL, WORK STOPPAGE, COMPUTER FAILURE OR MALFUNCTION, OR ANY AND ALL OTHER COMMERCIAL DAMAGES OR LOSSES. Some states do not allow the exclusion or limitation of incidental or consequential damages, or allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.
- Equitable Remedies.** You hereby agree that VUG would be irreparably damaged if the terms of this License were not specifically enforced, and therefore you agree that VUG shall be entitled, without bond, other security, or proof of damages, to appropriate equitable remedies with respect to breaches of this License, in addition to such other remedies as VUG may otherwise have available to it under applicable laws. In the event any litigation is brought by either party in connection with this License Agreement, the prevailing party in such litigation shall be entitled to recover from the other party all the costs, attorneys' fees and other expenses incurred by such prevailing party in the litigation.
- Miscellaneous.** This License shall be deemed to have been made and executed in the State of California, and any dispute arising hereunder shall be resolved in accordance with the law of the State of California. This License may be amended only by an instrument in writing executed by both parties. This License constitutes and contains the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior oral or written agreements.
