**WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.**

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — **IMMEDIATELY** discontinue use and consult your physician before resuming play.

**WARNING TO OWNERS OF PROJECTION TELEVISIONS:**

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

**USE OF UNAUTHORIZED PRODUCT:**

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

**HANDLING YOUR PLAYSTATION 2 FORMAT DISC:**

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

The logo for the game 'Shrek Smash 'n' Crash Racing' is displayed at the top. It features the DreamWorks logo at the top, followed by 'SHREK' in a large, stylized font with horns on the 'S' and 'K'. Below that, 'SMASH 'n' CRASH' is written in a bold, blocky font, with 'RACING' in a smaller font underneath. The background of the logo area is dark and textured.

When you smash through a barrel, you will receive a random pickup. Pickups come in many types and can help you win the race by causing your opponents to spin out... or worse!

### **Speed Boosts**

Each track contains several speed boosts. Some are in plain view, while others are hidden down branching paths and behind breakable objects. Race through these glowing blue trails to get an extra boost of speed and an edge on the competition.

### **Jumps**

Huge gaps, long drops, and raging rivers cut across the tracks. Ride through the purple trails to get a speed boost and launch your character into the air to clear these obstacles.

### **Switches**

Activate switches on the tracks by running into them. These will open up even more shortcuts to get you ahead of the pack! Keep an eye out though, even though the shortcuts are open, their entrances are well-hidden.

## PICKUPS

Pickups are weapons and magic gained by smashing through barrels. When you get an item an icon appears in the upper left corner of the screen. Use these to defend yourself and fight off your opponents.

Item	Description
	<b>Jack-o-Lantern:</b> The pumpkin may look harmless, but lay it on the track in your opponent's way and it will splatter everywhere when hit, causing them to spin out.
	<b>Giant Beanstalk:</b> When the magic seed is planted, a giant beanstalk grows instantly from the ground causing an impeding barrier for any opponent.
	<b>Lord Farquaad-in-a-Box:</b> Drop this toy on the track and the head bobbles around hitting your fellow racers.
	<b>Goose:</b> Pick up the goose and let it fly erratically down the track, disturbing players in its path.
	<b>Frog Balloon:</b> The frog balloon will buzz around and seek out anybody within range.
	<b>Garden Gnome:</b> Throw this lawn ornament straight ahead to trip up players.
	<b>Magic Frost:</b> This magic spell freezes all opponents. They will be unable to steer until it melts or smashes as they smack into a wall.
	<b>Pixie Dust:</b> When used, this magic dust gives the player a boost of speed.
	<b>Whirlwind:</b> The tornado effect will cause any opponent to wipe out if they get too close.
	<b>Shield:</b> When the magic shield is used, you'll be invincible to all creatures, opponents and weapons.
	<b>Ogre Strength:</b> This pickup grants the user strength and an ogre-sized increase in speed and acceleration. Smash all your opponents as any character!
	<b>Swamp Gas:</b> Use this pickup to let out a smoke screen behind you to block your opponents view.
