**WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.**

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game — dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions — **IMMEDIATELY** discontinue use and consult your physician before resuming play.

**WARNING TO OWNERS OF PROJECTION TELEVISIONS:**

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

**USE OF UNAUTHORIZED PRODUCT:**

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

**HANDLING YOUR PLAYSTATION 2 FORMAT DISC:**

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.

## BUNYIP STONES

Bunyip Stones can be found all throughout the Southern Rivers District and are used to upgrade TY's 'rangs. Some can be bought at stores for a fair price, while others must be found or earned by completing puzzles or missions. There's no limit to

how many TY can carry, so collect as many Bunyip Stones as you can!

Each type of Bunyip Stone will upgrade TY's 'rangs with a different ability, and a 'rang's power can be increased by using two or three of the same Stone type at once. However, certain types of Stones cancel out others and should not be used together on the same 'rangs e.g. Fire and Water will cancel each other out.

## **BUNYIP STONE TYPES**

### **Fire**

Fire Stones are quite a common Bunyip Stone, and bestow the elemental power of Fire to any 'rang they're added to. Multiple fire stones will make TY's 'rangs burn hotter than lava!

### **Water**

Water Stones add the cooling power of water, allowing any 'rang they're on to form ice crystals in its wake. These Stones are also quite common, and the more in a 'rang, the cooler they get!

### **Air**

The Air Stones add a bit of zap to your 'rangs. Brimming with electrical energy, they're sure to charge up anything they hit.

### **Earth**

Earth Stones are full of destructive power – use a couple of these in a 'rang, and it'll really go off with a bang... a 100 megaton bang!

### **Chrono**

Those Quinkan moving too quick? Always getting attacked? Just add a Chrono Stone to your 'rang, hit your enemies, and watch them slow to a crawl!

### **Warp**

This technological Stone lets TY teleport between special Warp crystals, and higher levels are rumored to bend light itself!

### **Ultra**

These Stones let TY see the unseen, and help him to find that which is hidden.

### **Mega**

These Stones are bouncing with energy – literally! Equip them and watch your 'rangs bounce from enemy to enemy.

# TY3 The Tasmanian Tiger Night on the Quinkan

## **Zoom**

Adding these Stones will let TY throw any 'rang further, and will also provide a sniper zoom mode when he's in TY's View (First Person Mode).

## **Multi**

These Stones make TY's 'rangs move much, much faster than normal, which means that TY can throw more of 'em!

## **Magnet**

This technological Stone adds some extra grab to your 'rangs. Just equip one or more, and watch collectibles flock to you as you throw your 'rangs at them!

## **SHOPS**

There are several shops scattered around Southern Rivers, where TY can use his opals to purchase new 'rangs, buy Bunyip Stone upgrades for the 'rangs he has, and buy weapons for the Shadow and Extreme Buniyps. Generally, shops are found within towns, but there may be a few more scattered around the place selling specialty goods...

Use the left analog stick to highlight an item you want to purchase

Press  to purchase the highlighted item

Press  to view information on the item you want to purchase

Press  to exit the shop

## **COLLECTIBLES**

There are many collectibles scattered throughout Southern Rivers for TY to uncover, and many of them will be vital to the success of TY's quest, so keep your eyes peeled!

## **Game Total Percentage**

Some collectibles (Gooboo Berries, Bilbies, Kromium Orbs, Steves and Picture Frames) add to the total percentage on the Game Totals screen of the Pause Menu. Bunyip Weapon Upgrades, 'rang chassis you buy and Missions you complete will also add to the game total percentage. Once you reach 100%, something special will happen at the very end of the game...

# TV3 The Tasmanian Tiger Night of the Quinkan

## Opals

Opals are found all over Southern Rivers and in the Dreaming. You can find opals along the path to mission areas, spilling from defeated enemies and inside the many crates placed around the world. You will need plenty of them to buy items from shops, but they do not count towards your total percentage.

## Opal Bags

Opal bags generally contain a substantial amount of opals, ranging from ten, up to the high thousands. Opal bags tend to be hidden from sight and placed in out of the way places as a reward for exploring the world or completing certain missions. They do not count towards your total percentage.

## Crates

Crates are found everywhere throughout Southern Rivers. TY can break open crates with his boomerangs or his bite attack. Crates will usually contain opals but some will conceal prized Picture Frames.

## Invisi-Crates

Invisi-Crates are well hidden and very difficult to see with the naked eye. However, once TY equips a 'rang with an Ultra Stone, he can see Invisi-Crates plain as day. Invisi-Crates are more likely to contain Picture Frames than normal crates. It's rumored that there are Invisi-Buttons hiding around the place as well...

## Smash Crates

These crates are as tough as nails but luckily, TY's Earth Stones are even tougher! These crates can contain all sorts of collectibles from opals to picture frames.

# TY3 Night of the Quinkan

## Gooboo Steve

Gooboo Steve is on the run from the Quinkan, and can be found in hiding spots all over the place. If you listen to what he has to say and heed his words of wisdom, he might lend you some opals and a Bunyip Stone to boot. Gooboo Steve has 6 secret hiding spots and finding each one will count towards your total percentage.

## Gooboo Berries

Gooboo Steve has hidden his Gooboo Berries all over Southern Rivers, in tricky to reach places. You'll have to use your wits to find them, and all of TY's skills to nab them. There are 10 in total, and each Berry counts towards your total percentage.

## Bilbies

The Bilbies have found themselves in a spot of bother once again. TY must rescue Bilbies hanging from high places like cliffs and trees, or stuck in tangled spider webs. Upon rescuing a Bilby you will receive an opal reward. There are 40 highly endangered Bilbies in Southern Rivers, and saving each one counts towards your total percentage.

## Picture Frames

Each Picture Frame you collect will unlock a drawing in the Concept Art gallery available through the Extras Menu. Picture Frames are generally found in Invisi-Crates, but can also be found on the ground or in regular crates. There are 120 to track down, and each one counts towards your total percentage.

## Kromium Orbs

Kromium Orbs are metallic rings that can be found in hard to reach places or at the end of crafty puzzles. They will give you an opal bonus reward, and each one counts towards your total percentage. There are 30 of them scattered throughout Southern Rivers for you to hunt down and collect.

# TY3 The Tasmanian Tiger Night of the Quinkan

## Picnic Baskets

Picnic Baskets are there to give TY a leg-up when he's down. They will either contain health paws, which will restore one piece of TY's health, or a TY health head for full health. Picnic Baskets have to be broken open with TY's boomerang or bite attack. They do not count towards your total percentage.

## Bunyip Stones

The Bunyip Stones are what TY uses to enhance the power of his 'rangs. There are many different types and they are often awarded to TY for completing missions and puzzles. They do not count towards your total percentage.

## ENEMIES

### PROTOQUIN

A smallish Quinkan, mere cannon fodder to protect the Quinking. The Protoquin has powerful arms and a wicked lashing tongue.

### ELECTROQUIN

The Electroquin adds significant fire power to the Quinkan Arsenal. Its powerful ranged energy-ball attack can decimate opposing forces from a distance. Electroquin also have a diving head butt and powerful arms to use in close combat.

### PYROQUIN

The Pyroquin is a devious Quinkan. It has strong melee attacks, and a tongue attack even more powerful than the Protoquin's!

### LAVAQUIN

The Lavaquin is a Quinkan that feels at home in very hot environments, and some have even adapted to survive under lava!

# TV3 The Tasmanian Tiger Night of the Quinkan

## UBERQUIN

The Uberquin are the elite warrior caste of the Quinkan. Their huge frames boast crystalline spines down their backs and massive, diamond sharp claws.

## SHIELDQUIN

The Shieldquin is a big defensive player in the Quinkan Armada. It patrols the front lines to protect the more elite Quinkan ranks.

## QUINCRAB

Quinkan treachery has managed to assimilate sea life. The Quincrab is a solid enemy that TY should be wary of.

## SKYQUIN

The Skyquin is a large flying Quinkan vehicle hell bent on eliminating Bush Rescue's fleet of Gunyips, and causing general mayhem amongst the inhabitants of Southern Rivers.

## WINGQUIN

The Wingquin is another link in the chain of Quinkan evolution. This aerodynamic species is capable of death-defying stunts at high altitudes. The Wingquin is one of the chief threats faced by Gunyips.

## MAGMAQUIN

The Magmaquin is a powerful floating behemoth that serves as a commander of the Quinkan army. Its deadly molten tentacles, lava aegis and magma boulder attacks make it a formidable opponent, and its tough rock exterior can only be cracked by the Shadow Bunyip or a Bunyip Laser Turret. The Magmaquin will often summon Lavaquin to aid it in battles.

# TY3 Night of the Quinkan

## Magmaquin Attack Patterns

### Molten Tentacles

These are stretchy agile tentacles used to whip TY if he gets too close.

### Magma Boulder

The Magmaquin can hurl flaming hot boulders of magma at TY. Stay out of their way!

### Call Lavaquin

If the Magmaquin is under threat, it can call its Lavaquin offspring to aid it in battle.

### ZOMBIE FRILL

Frills aren't too smart at the best of times, and now a lot of them have been brainwashed to serve the Quinkan. Watch out for them though, as they're not the Frills TY used to know!

### DROP BEAR

Drop Bears are roughly 1.5 times the size of regular Koalas. They live in the trees and will only drop down when TY walks underneath.

### UBERFRILL

Created through the addition of the warm-bloodedness of a mammal to a normal frill, renegade UberFrills still lurk throughout the outback of Southern Rivers.

### SHARK

These White Pointers are common throughout the waters off the coast of Southern Rivers, but can be driven off by a quick blow to the nose!

## Software License Agreement

USE OF THIS PROGRAM IS SUBJECT TO THE SOFTWARE LICENSE TERMS SET FORTH BELOW. "PROGRAM" INCLUDES THE SOFTWARE INCLUDED WITH THIS AGREEMENT, THE ASSOCIATED MEDIA, ANY PRINTED MATERIALS, AND ANY ON-LINE OR ELECTRONIC DOCUMENTATION, AND ANY AND ALL COPIES AND DERIVATIVE WORKS OF SUCH SOFTWARE AND MATERIALS. BY OPENING THIS PACKAGE, AND/OR USING THE PROGRAM, YOU ACCEPT THE TERMS OF THIS LICENSE WITH ACTIVISION, INC. ("ACTIVISION").

**LIMITED USE LICENSE.** Activision grants you the non-exclusive, non-transferable, limited right and license to use one copy of this Program solely and exclusively for your personal use. All rights not specifically granted under this Agreement are reserved by Activision. This Program is licensed, not sold. Your license confers no title or ownership in this Program and should not be construed as a sale of any rights in this Program.

**OWNERSHIP.** All title, ownership rights and intellectual property rights in and to this Program and any and all copies thereof (including but not limited to any titles, computer code, themes, objects, characters, character names, stories, dialog, catch phrases, locations, concepts, artwork, animation, sounds, musical compositions, audio-visual effects, methods of operation, moral rights, and any related documentation, incorporated into this Program) are owned by Activision or its licensors. This Program is protected by the copyright laws of the United States, international copyright treaties and conventions and other laws. This Program contains certain licensed materials and Activision's licensors may protect their rights in the event of any violation of this Agreement.

### YOU SHALL NOT:

- Exploit this Program or any of its parts commercially, including but not limited to use at a cyber cafe, computer gaming center or any other location-based site. Activision may offer a separate Site License Agreement to permit you to make this Program available for commercial use; see the contact information below.
- Sell, rent, lease, license, distribute or otherwise transfer this Program, or any copies of this Program, without the express prior written consent of Activision.
- Reverse engineer, derive source code, modify, decompile, disassemble, or create derivative works of this Program, in whole or in part.
- Remove, disable or circumvent any proprietary notices or labels contained on or within the Program.
- Export or re-export this Program or any copy or adaptation in violation of any applicable laws or regulations.

**LIMITED WARRANTY.** Activision warrants to the original consumer purchaser of this Program that the recording medium on which the Program is recorded will be free from defects in material and workmanship for 90 days from the date of purchase. If the recording medium is found defective within 90 days of original purchase, Activision agrees to replace, free of charge, any product discovered to be defective within such period upon its receipt of the Product, postage paid, with proof of the date of purchase, as long as the Program is still being manufactured by Activision. In the event that the Program is no longer available, Activision retains the right to substitute a similar program of equal or greater value. This warranty is limited to the recording medium containing the Program as originally provided by Activision and is not applicable to normal wear and tear. This warranty shall not be applicable and shall be void if the defect has arisen through abuse, mistreatment, or neglect. Any implied warranties prescribed by statute are expressly limited to the 90-day period described above.

EXCEPT AS SET FORTH ABOVE, THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT, AND NO OTHER REPRESENTATIONS OR CLAIMS OF ANY KIND SHALL BE BINDING ON OR OBLIGATE ACTIVISION.
