*America -- the land of opportunity. Filled with hopes and dreams the Mousekewitz family comes to start a new life. Tanya dreams of becoming a singer and Fievel wants to become a great lawdog like his hero, Wylie Burp. But soon they discover the cheese is not always bleu-er on the other side of the fence. For along comes Cat R. Waul with his tales of opportunity out west where Mice and Cats work together to make a perfect town. Lured by Cat R. Waul's promise of utopia, the Mousekewitz family decides to head west, unaware of his true intentions: **TO MAKE MOUSEBURGERS OUT OF THEM!** Stumbling onto Cat R. Waul's secret, Fievel sets out to save his family. Can Fievel with your help defeat the scheming cat and save his family from being served along with fries?*
