*Once upon a time in Toontown, there was a cat that had it all!  
Fortune and fame, top of the game. Up until he hit the wall.*

*Now he's a cop. Rackin' up crime.  
Stop the clock. Hope he gets here on time!*

*He's Bonkers, totally nuts!*

*Bonkers! No ifs, ands or buts.*

## He's Bonkers, Totally Nuts! CONT.

**Bonkers D. Bobcat**, the most popular bobcat cartoon star of all time, never does the expected. It's what makes him so adorable. About as adorable as a train wreck. . .

When Bonkers leaves Wacky Studios at the peak of his career in order to join the Hollywood Police Department — and live a life of excitement, danger and adventure — people thought that he had finally gone. . .well, *completely* bonkers. But no matter how hard the studio tried to get him back, Bonkers had decided to stay a cop for good.

Assigned to the Toontown beat, Bonkers met Lucky Piquel, a human police officer who not only became his partner but his best friend as well. Together they worked hard to keep the peace until an unidentified thief made off with three priceless treasures from the Toon Town Museum: the Sorcerer's Hat, the Mermaid's Voice and the Magic Lamp.

In the past, Bonkers has had to face many great foes including the Mad Hatter and the March Hare. He's even had to battle the Red Baron to deliver pizzas on time. But finding these three symbols of Toon Town's history and putting the culprits away for good could be the biggest challenge of Bonkers' career.

Yes, Bonkers has built a reputation for solving the biggest cases, the smallest cases, and even the crank cases, but to solve this case he's going to need *your* help. Guide Bonkers as best you can to save Hollywood, Toontown and return everything to normal — or at least as normal as things in Toontown get. Good luck and remember: He's Bonkers, totally nuts!

## On the Case

Bonkers must do police work on his own while his pal Lucky recovers in the local hospital. The first thing a good policeman does is to search for clues, and that's what Bonkers does throughout Hollywood and Toontown. When the location select screen appears, use the control pad to move the spotlight to a new part of town. Then press the START button to send Bonkers on the case.

## A Mad DASH

Bonkers must hurry to capture the culprits and recover the Toon treasures before a diabolical plot unfolds. To jam through each scenario, Bonkers can use his DASH ability. As Bonkers trots along, his DASH meter will recharge. When the DASH meter flashes, Bonkers can DASH through enemies. To use a DASH attack again, the meter must recharge until it flashes. While in a DASH, Bonkers can roll into a ball to move into low spaces.

# Crazy Collectibles

As Bonkers travels around the Hollywood area, he will come across many items he can grab to help him in his quest to recover the Toon valuables.

## Crazy Collectibles CONT.

### Heart:

A decorative banner with a green background and a black border, featuring yellow stars and pink orbits. The text "Comedian Continues" is written in bold black letters on the banner.

## Comedian Continues

When Bonkers runs out of chances to find the Toon Treasures, he takes a trip to the local Toon Comedy Club. If Bonkers laughs at the comedian's joke, he can continue his search for the Toon Treasures from wherever he left off. However, if Bonkers is too discouraged with the case that he ignores the joke, the game ends. Use the control pad to choose Bonkers' response and press the START button.

## Toon Tips

Use Bonkers' DASH as a weapon by dashing through the enemy or objects. Also use the DASH and jump to find hard-to-reach areas.

Collect 10 Gold Shields to add an extra bomb to Bonkers' total arsenal.

Try jumping and throwing a bomb to hit the enemy or blocks in the air.

Throw a bomb at Fall-Apart Rabbit and see what happens. Fall-Apart Rabbit is also a progress marker, so if Bonkers loses all his health but has extra chances, he will restart from Fall-Apart Rabbit.

Bounce off the enemy to find hard-to-reach areas.

Use bombs to break open blocks with question marks or other objects to reveal collectible items.

Save bombs for the culprits who guard the stolen Toon treasures.

The Chief of Police will like Bonkers' performance more the quicker the case is solved and with the less chances and continues used to do it. Watch for his comments in the Gazette Times.
