FISHIN' FOR TROUBLE

It was a great day for fishing in Spoonerville, so Goofy and his pals went out to the ocean with their boats.

Cruising for the big ones in open waters, Pete and PJ were suddenly caught in the ominous shadow of a gigantic ship.

When Goofy and Max looked up, they saw a huge pirate ship heading out to Spoonerville Island. Pete and PJ were onboard, victims of a pirate kidnapping!

Goofy rowed for all he was worth, but he couldn't catch up to the pirate ship before it landed on the island. Determined to rescue their friends, Goofy and Max set out to explore and find the pirate stronghold.

But when cornered by the burly buccaneers, Goofy and Max are ready with a barrage of barrels that will send them scurrying back to the sea!

TRICKY TRAPS

As the natives of Spoonerville Island will tell you, Keelhaul Pete is a crafty old pirate. He's devised a host of tricky traps and perplexing puzzles to keep unwanted visitors away from his gold. It's a battle of wits as Goofy and Max try to solve these puzzles in order to save their chums before it's too late!

Using their brains and a good, swift kick, Goofy and Max can open gates by kicking blocks onto special markers or switches.

But not all of Keelhaul Pete's puzzle rooms are that easy! Sometimes they require you to kick all the blocks onto the markers before they will open the gate to a special key or doorway!
